

THE CHAPTER OF THE BLACK MOONS

There are many definitions for a Black Moon, a term made popular by social media: <https://www.timeanddate.com/astronomy/moon/black-moon.html>. However, it is being used to refer to the second new moon that occurs within a singular man-made calendar month. The Chapter of **the Black (and Red)** Moons refer to the intervening period between two Black Moons which occurred in the year 2014-2015 as can be seen from the diagrams and images below. The period is considered significant because during this period there were 4 Blood Red Moons each occurring on important Jewish feasts days, the Passover being the first to commence the Religious Jewish Calendar and the Feast of Tabernacles being the last to close the Jewish Religious Calendar.

If you accept the doctrine: 'let there be lights in the heaven to give light upon the earth and let them be for signs, seasons, days and years'. Then clearly you should see how ominous these signs are even more that they occurred on Jewish Religious Feasts Days highlighting the importance of the message or light which those days convey on the salvation of mankind.

Have you accepted the Passover, the Lamb slain from the foundation of the world, Yeshua, called Jesus the Christ? The Jews have not and the Muslims have not and many of us Christians claim we have, but yet, we deny him in works and behave as if we are blameless! How then can we partake in the last Feast of the Religious Calendar, the Feast of Tabernacles, that is to commemorate the wilderness journey of the saved upon the earth to enter the Heavenly Canaan, when we exercise no affliction, contrition or remorse for our sins which should have been the work of the penultimate Feast of the Jewish Religious Calendar: the Day of Atonement or Judgement, when the Sanctuary, both of our lives and in Heaven, is cleansed?

The events occurring upon the earth during **the Black** Chapter were chronicled under the **DOP tab** on the webpage this is now prepared as an abridge version to highlight significant occurrences for serious contemplation and for an informed decision as it relates to our salvation, the acceptance of the Passover, meeting the Judgement and the keeping of the Feast of the Tabernacles when Yeshua, called Jesus the Christ returns. Of course just before His return His Coming will be counterfeited!

2. 29/9/15 (ship set off to sea from port), 1/10/15 (lost at sea), 7/10/2015 (search ends). Occurred the week or so after the Pope's visit to Americus. Wreckage found reported 24/10/15. 6/11/2015 report on the names of the missing crew members, meaning of each providing a road map of the development of the LGBTIA movement in America.	El Faro (Light House), Cargo Ship, going down in the Storm Joaquin (Set up by Jehovah). See DOP for complete explanation and power point presentation	El Faro represents Americus (America: Powerful Ruler), Standard Bearer, will decline, plunge, be destroyed or under deluge/water because of the abomination of L.G.B.T.Q.I.A.	Ongoing from that time until now (current) destruction by water: tornado, storms or hurricanes, floods, blizzards, countless examples in the news. This of course is solely being attributed to 'climate changes'.
3. 16/10/2015 reported in news. 25/11/2015 report gives further insights of WLCC taking away the individual rights or freedom of its members leading up to the beatings and death of one of the brothers. Further update report 2/12/15.	Mom too meek to stop fatal beating of son in Church: once a vibrant and joyous house of worship became a place of fear and intimidation under NEW LEADERSHIP . Two brothers Lucas (light giving) and Christopher (carrier of Christ) were beaten in Church. Lucas or light giving died and Christopher or carrier of Christ that bears the message of the gospel, hospitalized. Note the accusations of spiritism. See DOP for complete explanation.	Speak on a micro or individual level to the same subject as El Faro, the Cargo Ship, did on a macro level to the demise of a nation, America or Americus: the Powerful Ruler.	The new Republican President of America, Donald Trump (from November 2016) (who won the election on a 'wave populism') and family have similar disposition and tendencies as the Church leader and his family that give rise/further the decline/plunge of America to become a place of fear, intimidation, assault and death.
4. 23/10/15 reported in news: 'Mormons still against same sex marriages Take a stand against Kim Davis.' 15/11/15 report Americus, the Eagle, being used by the One Eternal, in this sport of hunting with birds of prey called: falconry.	Explores the arguments for and against the ' Compromise over Conflict ' approach of the Mormon's Church portrayed in the article as the Black Warrior Princess of Calife who suffered a backlash from both within and without and has modulated her stance forming a Mormon Bridge between two Mountains or sides of the conflict in Utah unlike the Woman, the wife of the Son of David, portrayed as a Brave Kin, a scarlet berry, from Rowan Tree County, asserting to paint scarlet red the State of Kentucky: the blood red ground. What shall the end be? See DOP for complete explanation.	Illustrates the compromise the nation of America or Americus including some of its Churches took over the abominable act of same sex marriages and the ongoing conflict it faces as a nation among its people, those onboard. A modern day application of Lot and his family (and his wife turning to a pillar of salt) leaving Sodom but in reverse as it is the LGBTQIA community leaving the Mormon Church instead in SLC (Salt Lake City), a mockery of that Church.	We get insights in the ongoing compromise and conflict on the subject of same sex marriage on board the Ship of El Faro or Americus: the Powerful Ruler and how this sin has become a reproach to that Country and how the freedom of conscience is being subjected to a governmental law by the Mormon Church

Also both the names of the main character and former Republican Presidential hopeful mean the same thing. Does the boots of the Rancher fit Marco Rubio?
