## MY MOTHER'S WOMB

As a baby in its mother's womb  
So are we in Him  
For as many as received Him  
To them gave He power  
To become sons and daughters of God  
Now in Him we live and move and have our being

God is good  
Man made He in His image  
It's not good for man to be alone  
Then how can He that is good alone be  
Have you not heard  
That there is the Father, Son and Holy Ghost  
These Three all agree one to be  
Even as the man and his wife  
They being twain agree as one

Even since the fall  
It's still not good for man to live by bread alone  
But by every word out of the mouth of God proceed  
For man to live the word by the Spirit must be transfused  
That the heart may understand  
Him to know which is life everlasting  
So then as He work I will work  
As I see I will do  
As I hear I will judge  
For thy Kingdom is come  
Thy will be done on earth  
Even as it is in Heaven

Glorify Thy Kingdom through me  
O Holy Father

Are thou alone  
Then thou aren't alive  
Seek ye the man name Christ  
He being the Husband  
Thou art the wife  
To thee will He give  
The power to have life  
This word is true and sure  
It shall forever endure

This law holds true  
Being both natural and spiritual  
Even as a man knows his wife  
One to be for they agree  
They are much the same  
Yeah they even look alike  
Even so those that know Him  
Have His countenance upon their faces  
Remember man was made in His image

## MY MOTHER'S WOMB

O Lord my Father  
I am but a babe in my Mother's womb  
She whom the twelve starred crown is placed on her brow  
Clothed by the Sun  
And her feet bestooled by the Moon

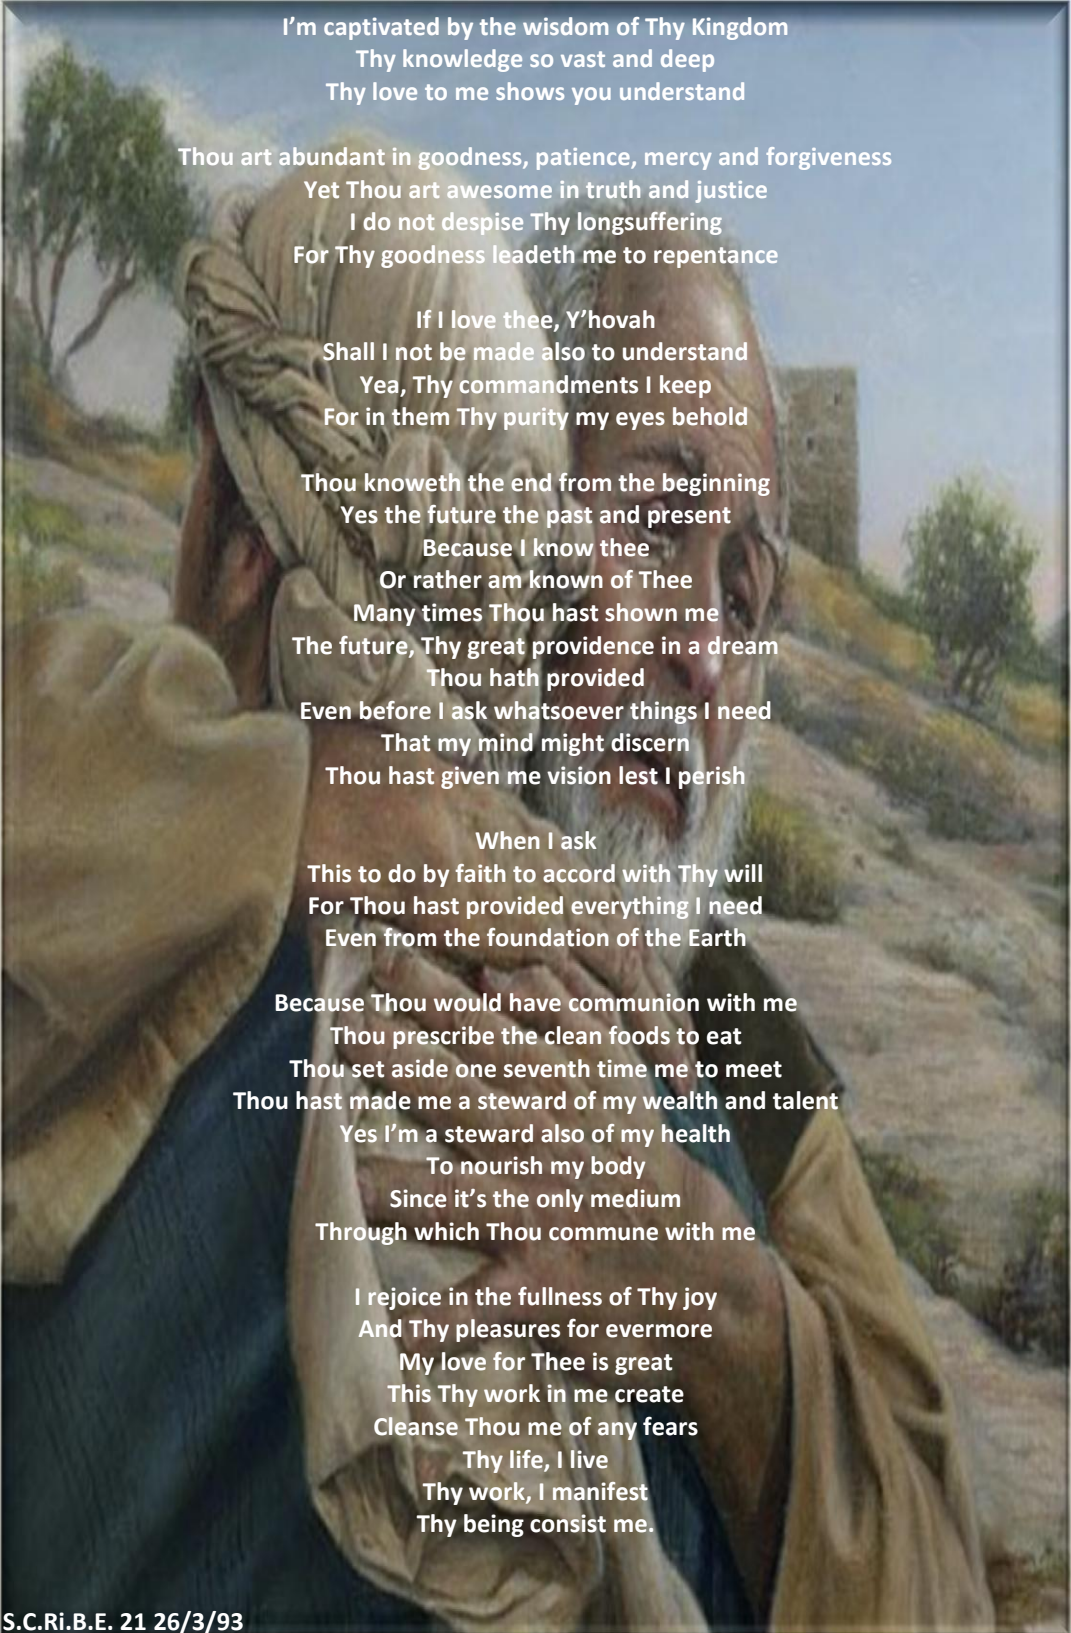

When shall I be delivered  
Yeah, it's the time of Jacob's trouble  
A woman travaileth in birth

Bring forth, bring forth, saith the Lord of Host  
That peace may flow like a river  
That her family may rejoice

Yeah the morning stars and the sons of God doth sing for joy  
Rejoice, rejoice for she that was barren hath become fertile  
She that was with child  
Hath bring forth many sons and daughters unto glory

S.C.Ri.B.E. 21 8/4/93

## MY LOVING FATHER

I'm captivated by the wisdom of Thy Kingdom  
Thy knowledge so vast and deep  
Thy love to me shows you understand

Thou art abundant in goodness, patience, mercy and forgiveness  
Yet Thou art awesome in truth and justice  
I do not despise Thy longsuffering  
For Thy goodness leadeth me to repentance

If I love thee, Y'hovah  
Shall I not be made also to understand  
Yea, Thy commandments I keep  
For in them Thy purity my eyes behold

Thou knoweth the end from the beginning  
Yes the future the past and present  
Because I know thee  
Or rather am known of Thee  
Many times Thou hast shown me  
The future, Thy great providence in a dream  
Thou hath provided  
Even before I ask whatsoever things I need  
That my mind might discern  
Thou hast given me vision lest I perish

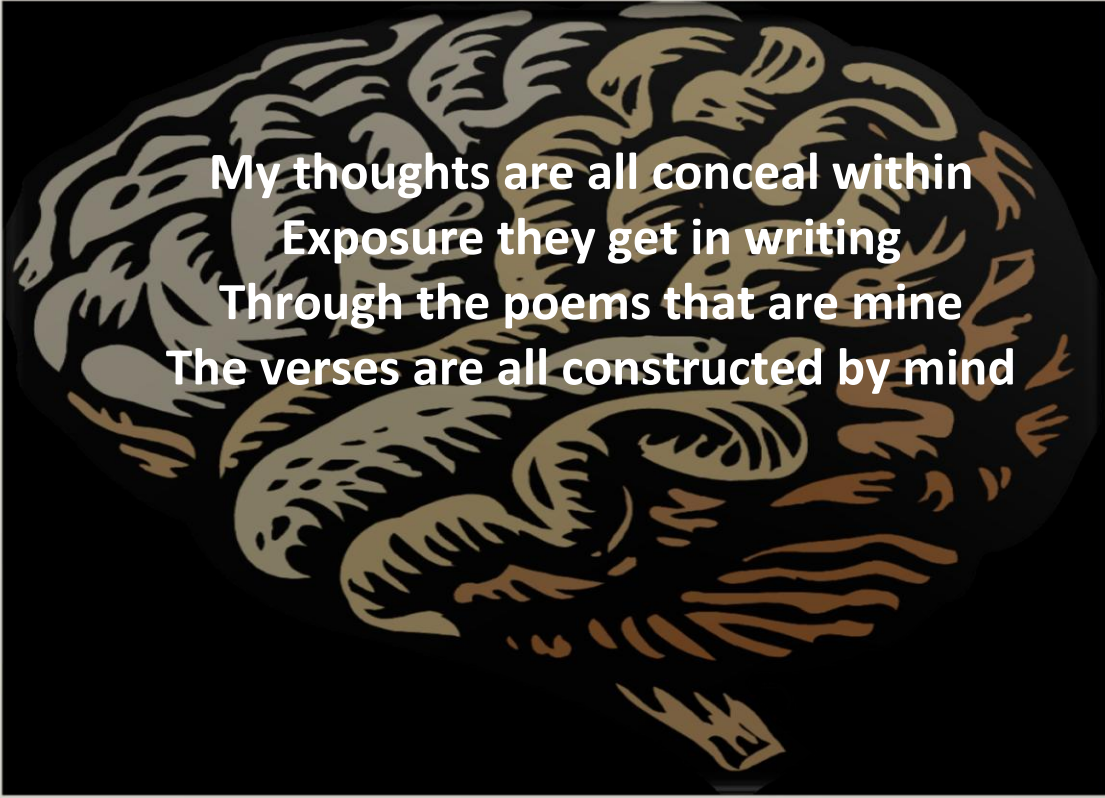

When I ask  
This to do by faith to accord with Thy will  
For Thou hast provided everything I need  
Even from the foundation of the Earth

Because Thou would have communion with me  
Thou prescribe the clean foods to eat  
Thou set aside one seventh time me to meet  
Thou hast made me a steward of my wealth and talent  
Yes I'm a steward also of my health  
To nourish my body  
Since it's the only medium  
Through which Thou commune with me

I rejoice in the fullness of Thy joy  
And Thy pleasures for evermore  
My love for Thee is great  
This Thy work in me create  
Cleanse Thou me of any fears  
Thy life, I live  
Thy work, I manifest  
Thy being consist me.

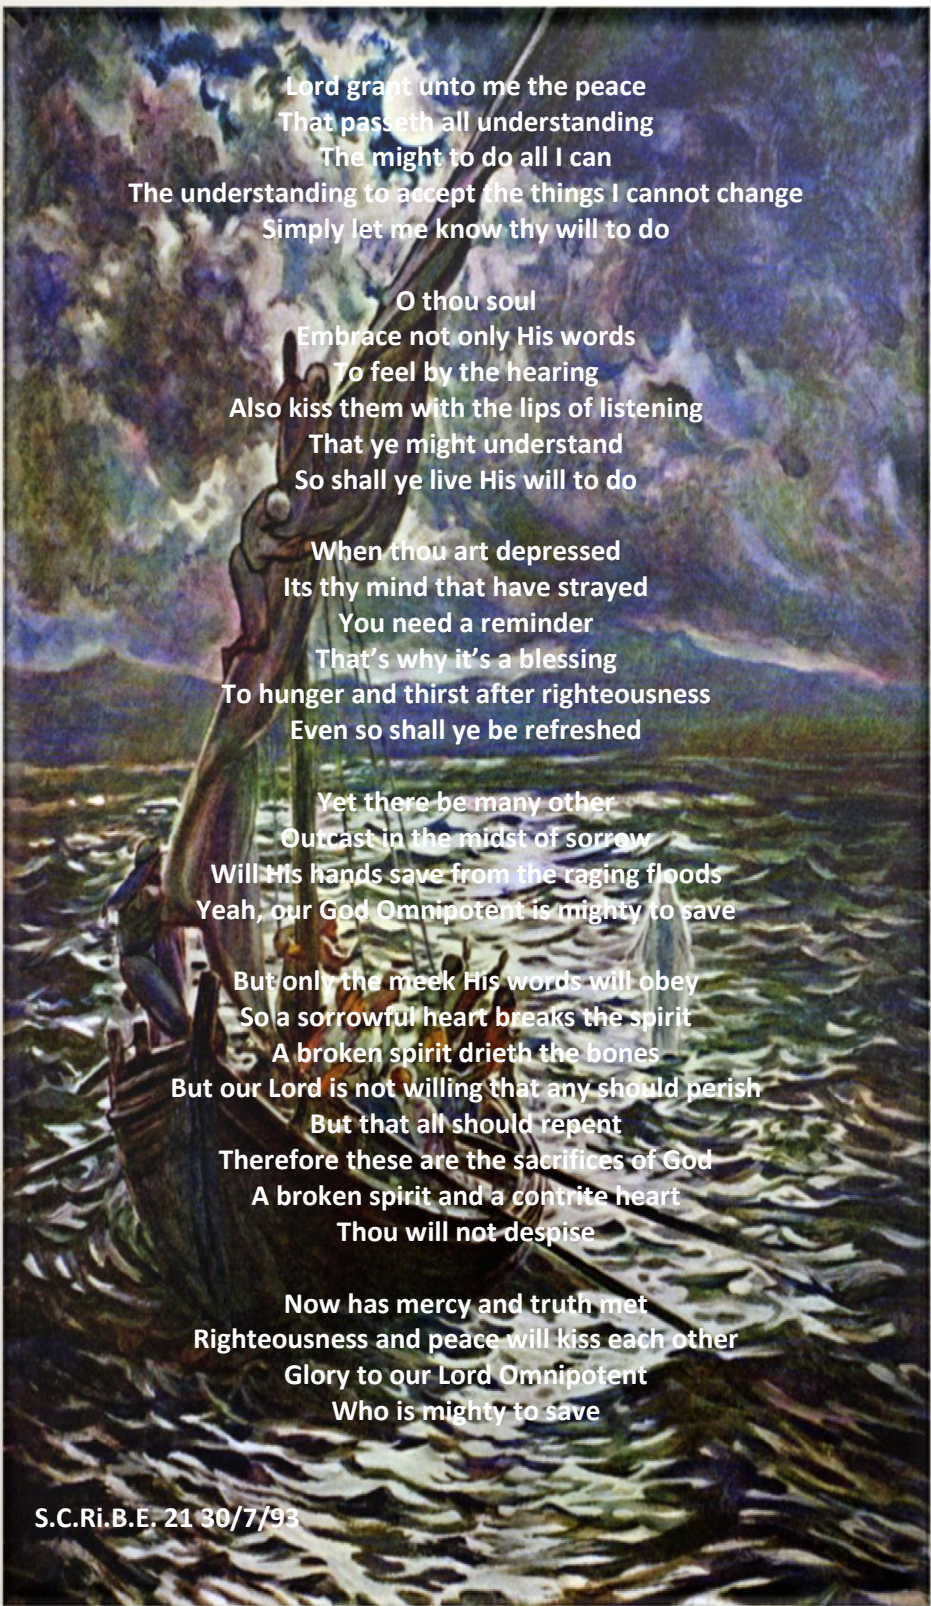

## MY THOUGHTS

My thoughts are all conceal within  
Exposure they get in writing  
Through the poems that are mine  
The verses are all constructed by mind

## OUR HELPER MIDST THE STORM

Lord grant unto me the peace  
That passeth all understanding  
The might to do all I can  
The understanding to accept the things I cannot change  
Simply let me know thy will to do

O thou soul  
Embrace not only His words  
To feel by the hearing  
Also kiss them with the lips of listening  
That ye might understand  
So shall ye live His will to do

When thou art depressed  
Its thy mind that have strayed  
You need a reminder  
That's why it's a blessing  
To hunger and thirst after righteousness  
Even so shall ye be refreshed

Yet there be many other  
Outcast in the midst of sorrow  
Will His hands save from the raging floods  
Yeah, our God Omnipotent is mighty to save

But only the meek His words will obey  
So a sorrowful heart breaks the spirit  
A broken spirit drieth the bones  
But our Lord is not willing that any should perish  
But that all should repent  
Therefore these are the sacrifices of God  
A broken spirit and a contrite heart  
Thou will not despise

Now has mercy and truth met  
Righteousness and peace will kiss each other  
Glory to our Lord Omnipotent  
Who is mighty to save

S.C.Ri.B.E. 21 30/7/93

# TRAIN UP A CHILD

If ye be disobedient  
Thou commit suicide  
Why not be obedient  
A living sacrifice  
Having the hope of eternity

All want monetary wealth  
At the cost of an impoverished mind  
Few want mature intellect  
The greatest treasure one can find

Discipline begins in the womb  
And with successive parents before  
Or have thou overcome  
Thy mal-nurture  
Those who will be saved  
Must be cleansed  
From this be pure

Therefore  
Train up a child  
The way he should grow  
And when he is old  
He will never depart from it

Teach him honesty  
The best policy  
That he will be ready  
The truth to receive  
Never to be deceived  
Not thinking more highly of himself  
Than he ought  
Not being haughty

Teach him patience  
To wait on the Lord  
So shall he have courage  
And his strength renewed

Teach him love  
Above all things  
That he might be in His image  
For God is love

Parents provoke not thy Children to anger  
Children obey your parents in the Lord  
For this is right

## LIFE'S MARATHON ENDS

This experience includes all the events of life  
Each to prepare the athletes that compete  
Life's Marathons are almost done  
Events few have won

Many have been proven undone  
Yet others who still compete  
Are lacking this to repeat

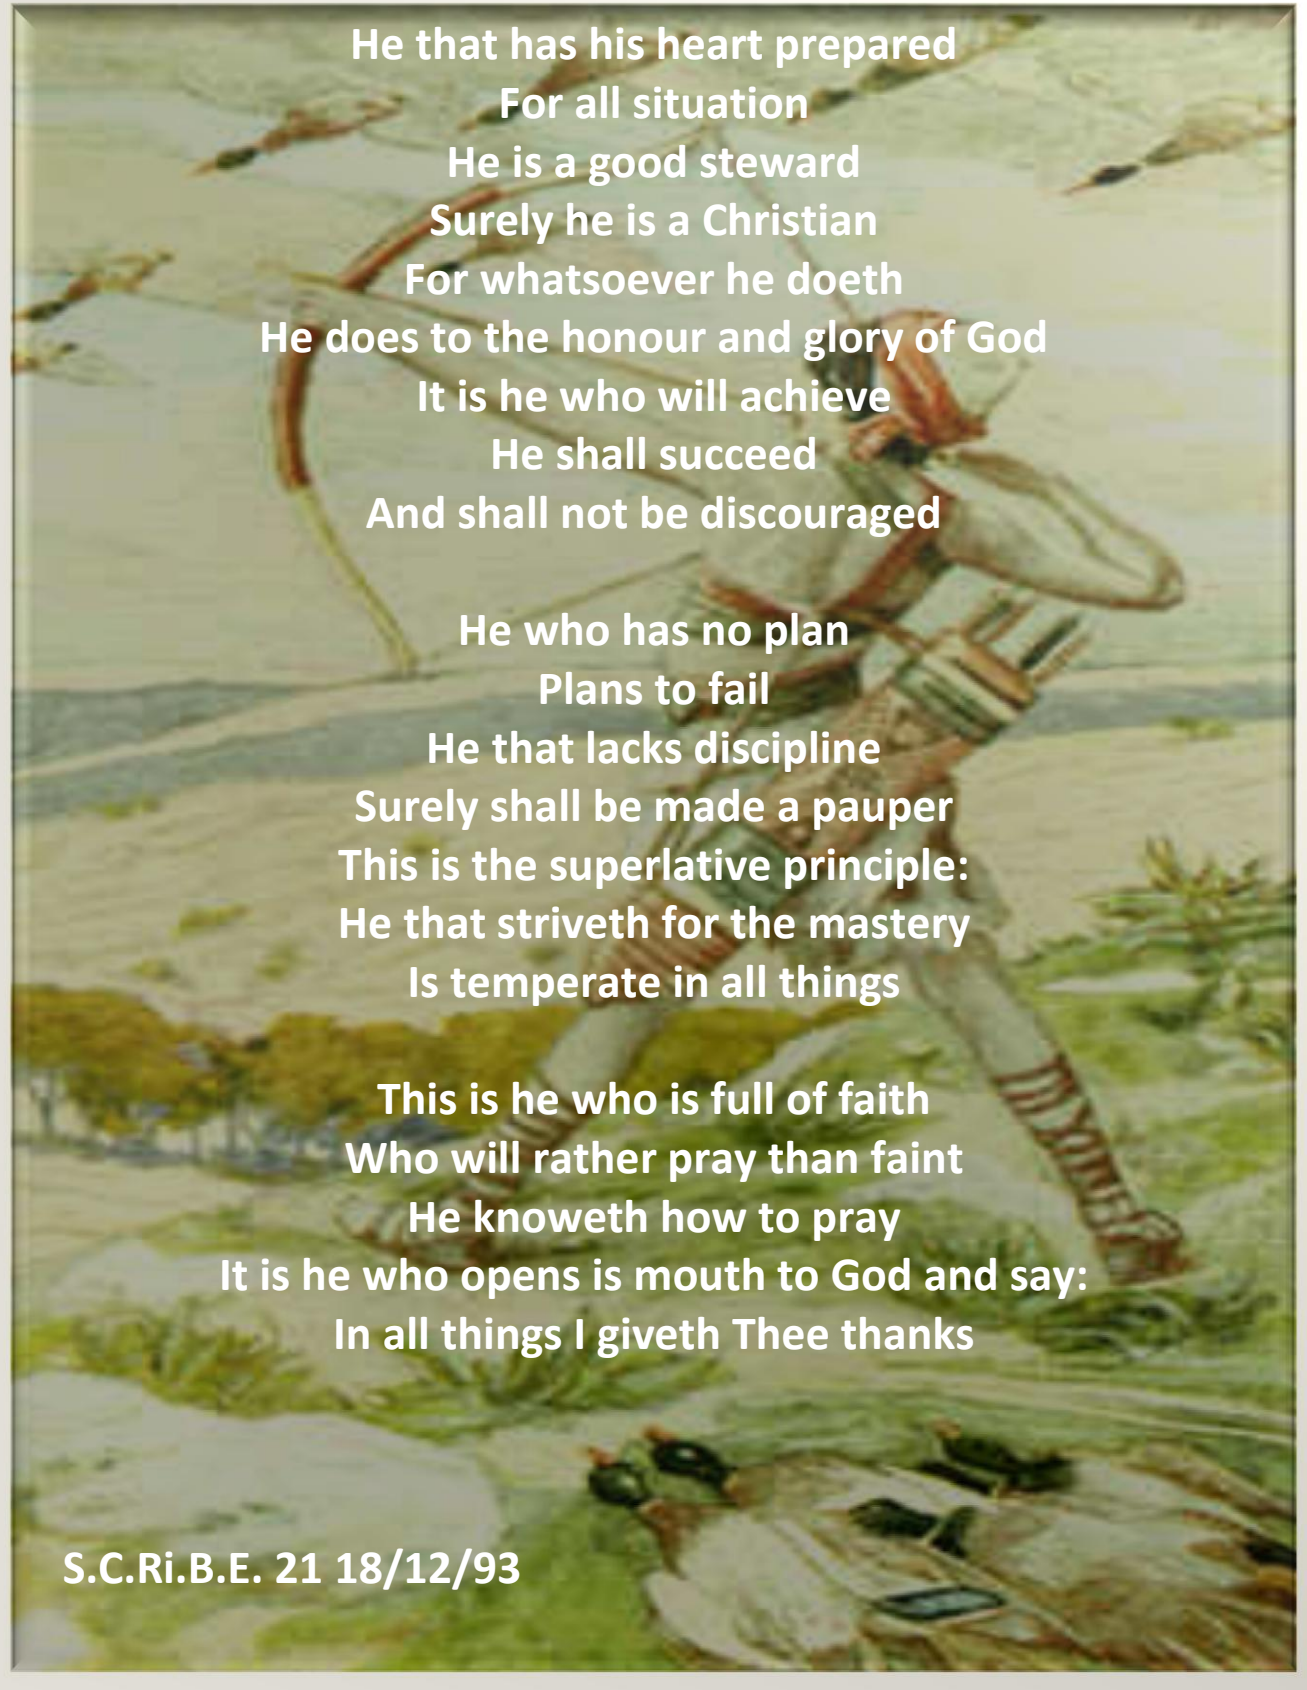

The runners now turn  
To the final dash home  
Each will now need  
The high jumpers leap  
To put pep in his step  
And swiftness in his speed  
To reach the end

From start the message they carried  
All those who finish have overcome  
It's proven they have strength to endure  
Stamina to persist  
Swiftness of speed  
That causes the message to glorify  
Along the final path  
For it out-shun satan lies

S.C.Ri.B.E. 21 24/3/93

## HOW TO SUCCEED

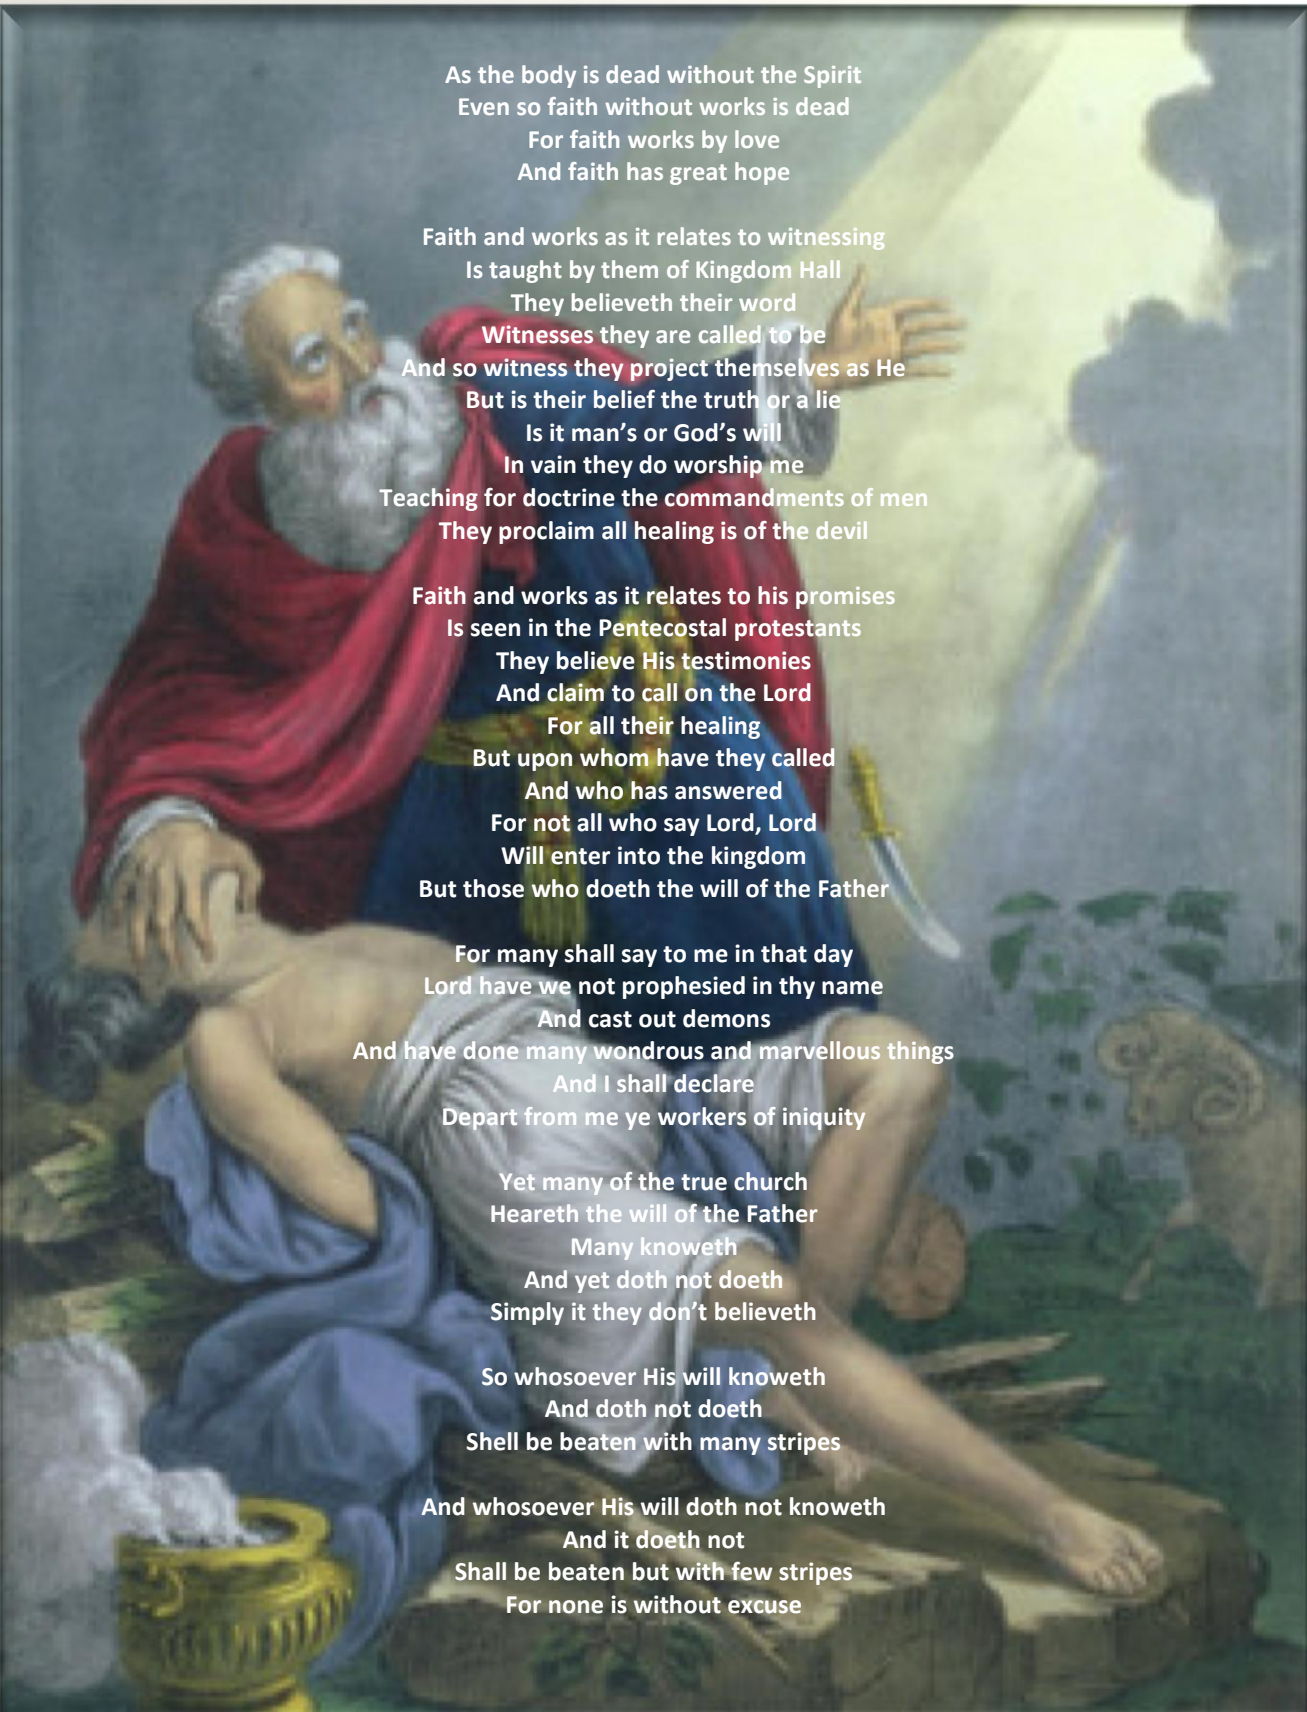

He that has his heart prepared  
For all situation  
He is a good steward  
Surely he is a Christian  
For whatsoever he doeth  
He does to the honour and glory of God  
It is he who will achieve  
He shall succeed  
And shall not be discouraged

He who has no plan  
Plans to fail  
He that lacks discipline  
Surely shall be made a pauper  
This is the superlative principle:  
He that striveth for the mastery  
Is temperate in all things

This is he who is full of faith  
Who will rather pray than faint  
He knoweth how to pray  
It is he who opens his mouth to God and say:  
In all things I giveth Thee thanks

S.C.Ri.B.E. 21 18/12/93

## FAITH AND WORKS

As the body is dead without the Spirit  
Even so faith without works is dead  
For faith works by love  
And faith has great hope

Faith and works as it relates to witnessing  
Is taught by them of Kingdom Hall  
They believeth their word  
Witnesses they are called to be  
And so witness they project themselves as He  
But is their belief the truth or a lie  
Is it man's or God's will  
In vain they do worship me  
Teaching for doctrine the commandments of men  
They proclaim all healing is of the devil

Faith and works as it relates to his promises  
Is seen in the Pentecostal protestants  
They believe His testimonies  
And claim to call on the Lord  
For all their healing  
But upon whom have they called  
And who has answered  
For not all who say Lord, Lord  
Will enter into the kingdom  
But those who doeth the will of the Father

For many shall say to me in that day  
Lord have we not prophesied in thy name  
And cast out demons  
And have done many wondrous and marvellous things  
And I shall declare  
Depart from me ye workers of iniquity

Yet many of the true church  
Hearth the will of the Father  
Many knoweth  
And yet doth not doeth  
Simply it they don't believeth

So whosoever His will knoweth  
And doth not doeth  
Shell be beaten with many stripes

And whosoever His will doth not knoweth  
And it doeth not  
Shall be beaten but with few stripes  
For none is without excuse

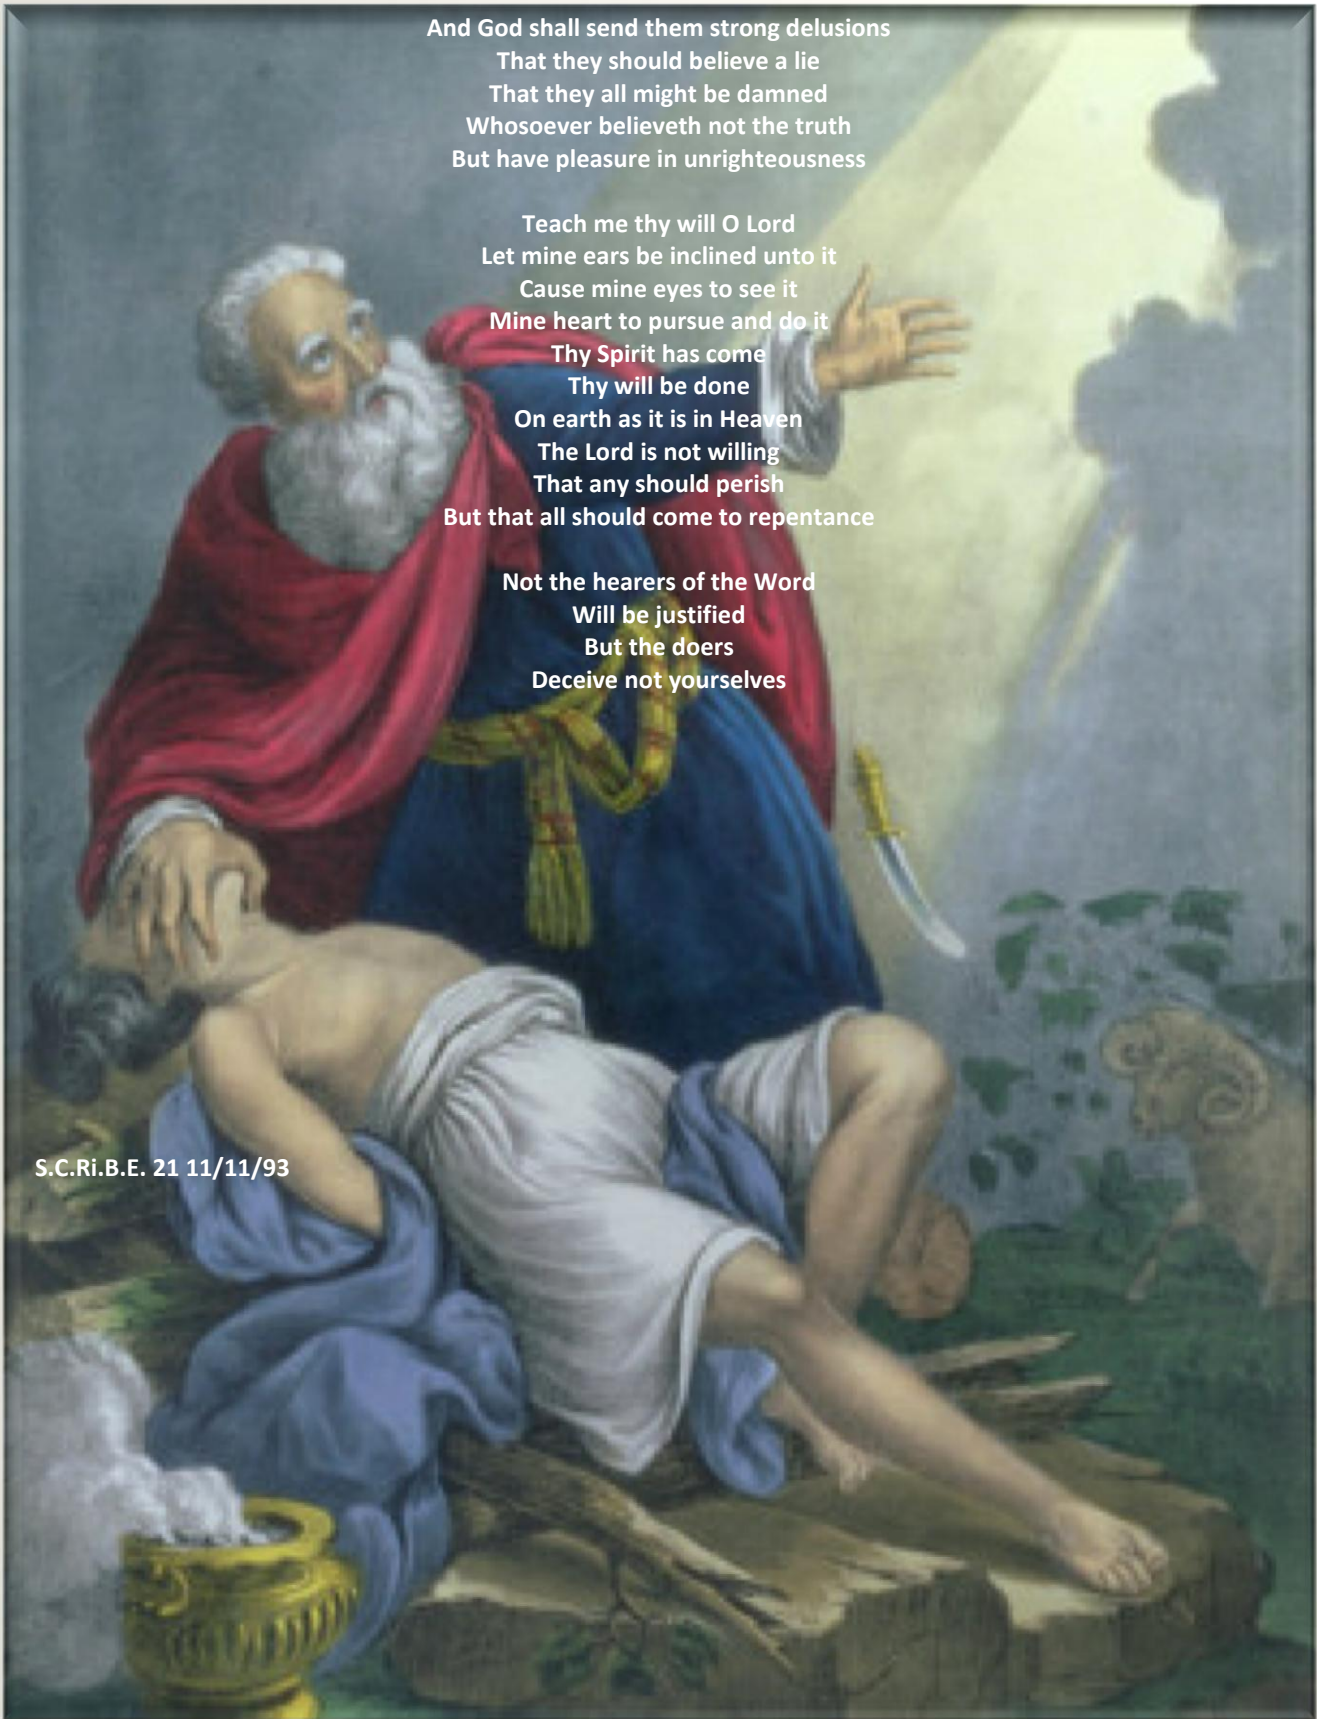

## FAITH AND WORKS

And God shall send them strong delusions  
That they should believe a lie  
That they all might be damned  
Whosoever believeth not the truth  
But have pleasure in unrighteousness

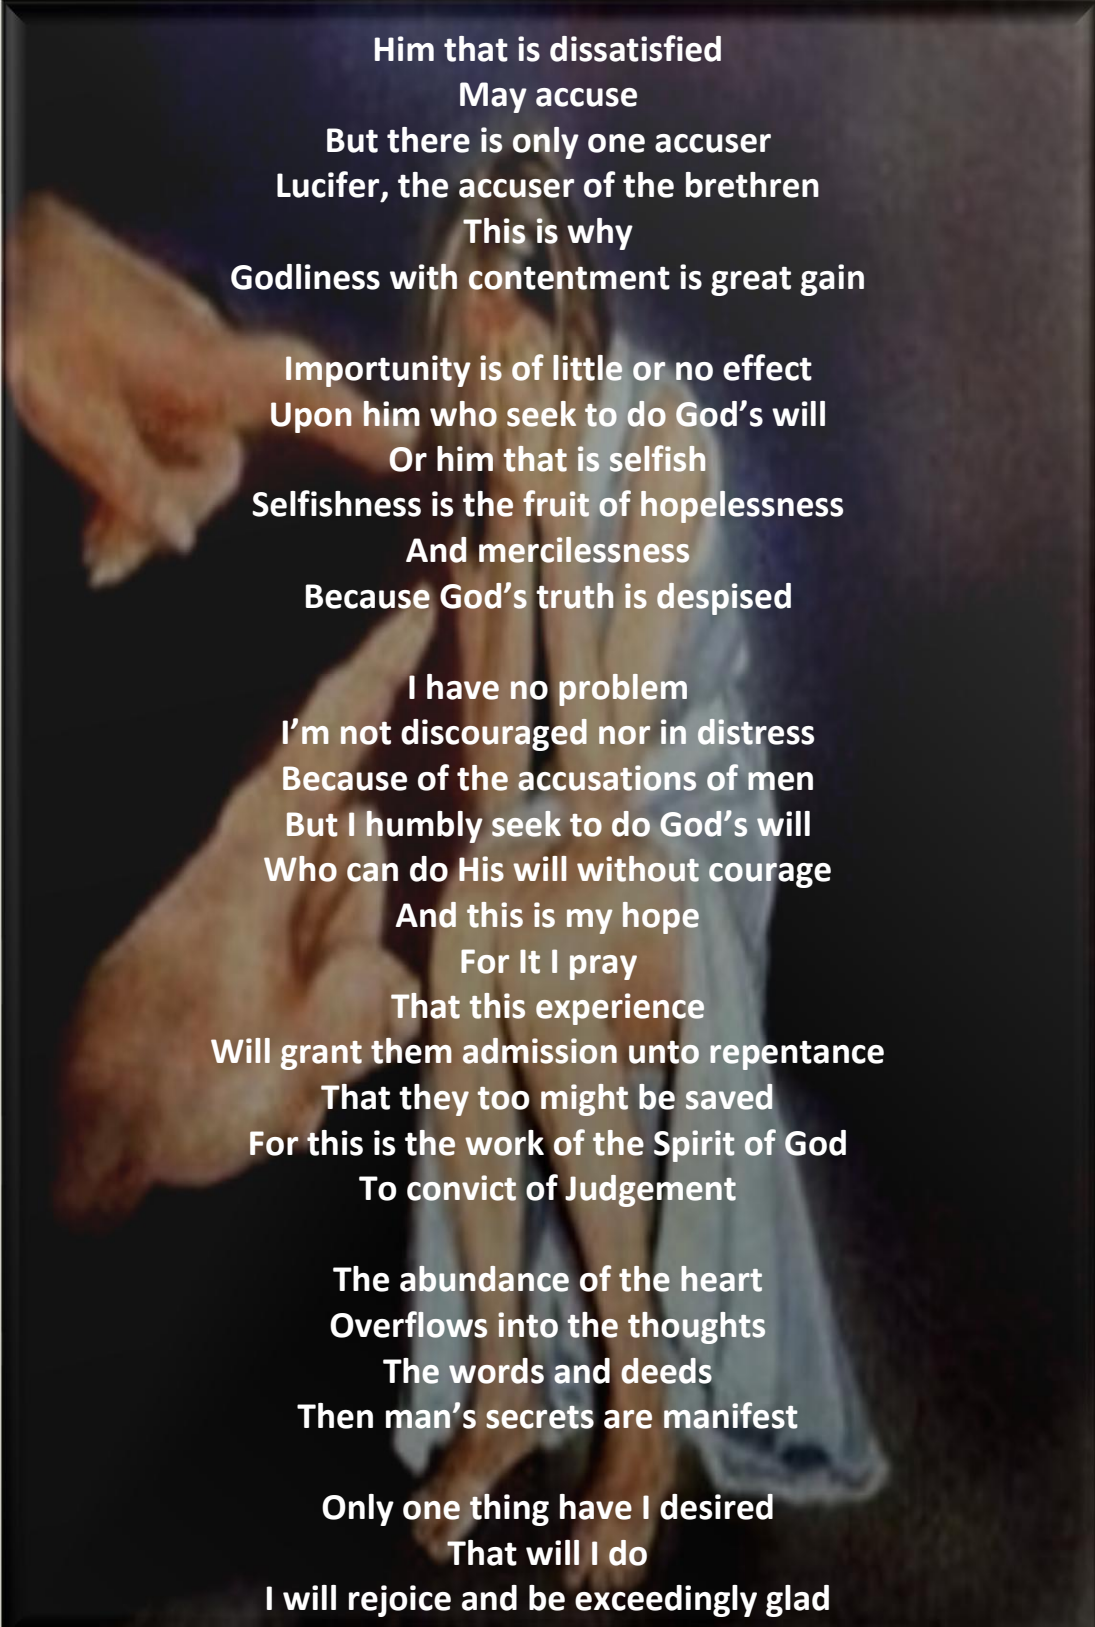

Teach me thy will O Lord  
Let mine ears be inclined unto it  
Cause mine eyes to see it  
Mine heart to pursue and do it  
Thy Spirit has come  
Thy will be done  
On earth as it is in Heaven  
The Lord is not willing  
That any should perish  
But that all should come to repentance

Not the hearers of the Word  
Will be justified  
But the doers  
Deceive not yourselves

S.C.Ri.B.E. 21 11/11/93

## BE BOLD TO MEET THE ACCUSER

Him that is dissatisfied  
May accuse  
But there is only one accuser  
Lucifer, the accuser of the brethren  
This is why  
Godliness with contentment is great gain

Importunity is of little or no effect  
Upon him who seek to do God's will  
Or him that is selfish  
Selfishness is the fruit of hopelessness  
And mercilessness  
Because God's truth is despised

I have no problem  
I'm not discouraged nor in distress  
Because of the accusations of men  
But I humbly seek to do God's will  
Who can do His will without courage  
And this is my hope  
For It I pray  
That this experience  
Will grant them admission unto repentance  
That they too might be saved  
For this is the work of the Spirit of God  
To convict of Judgement

The abundance of the heart  
Overflows into the thoughts  
The words and deeds  
Then man's secrets are manifest

Only one thing have I desired  
That will I do  
I will rejoice and be exceedingly glad

## BE BOLD TO MEET THE ACCUSER

For great is my reward in heaven  
And join in with the heavenly host  
In casting the accuser of the brethren down

Cast him out  
Cast him down  
Turn his kingdom upside down  
Bruise his head  
Wound his head  
Judge him good as dead

Accuse you bad  
Wrought you mad  
Brought down  
One third your stars  
From your crown  
Trample them  
To the ground

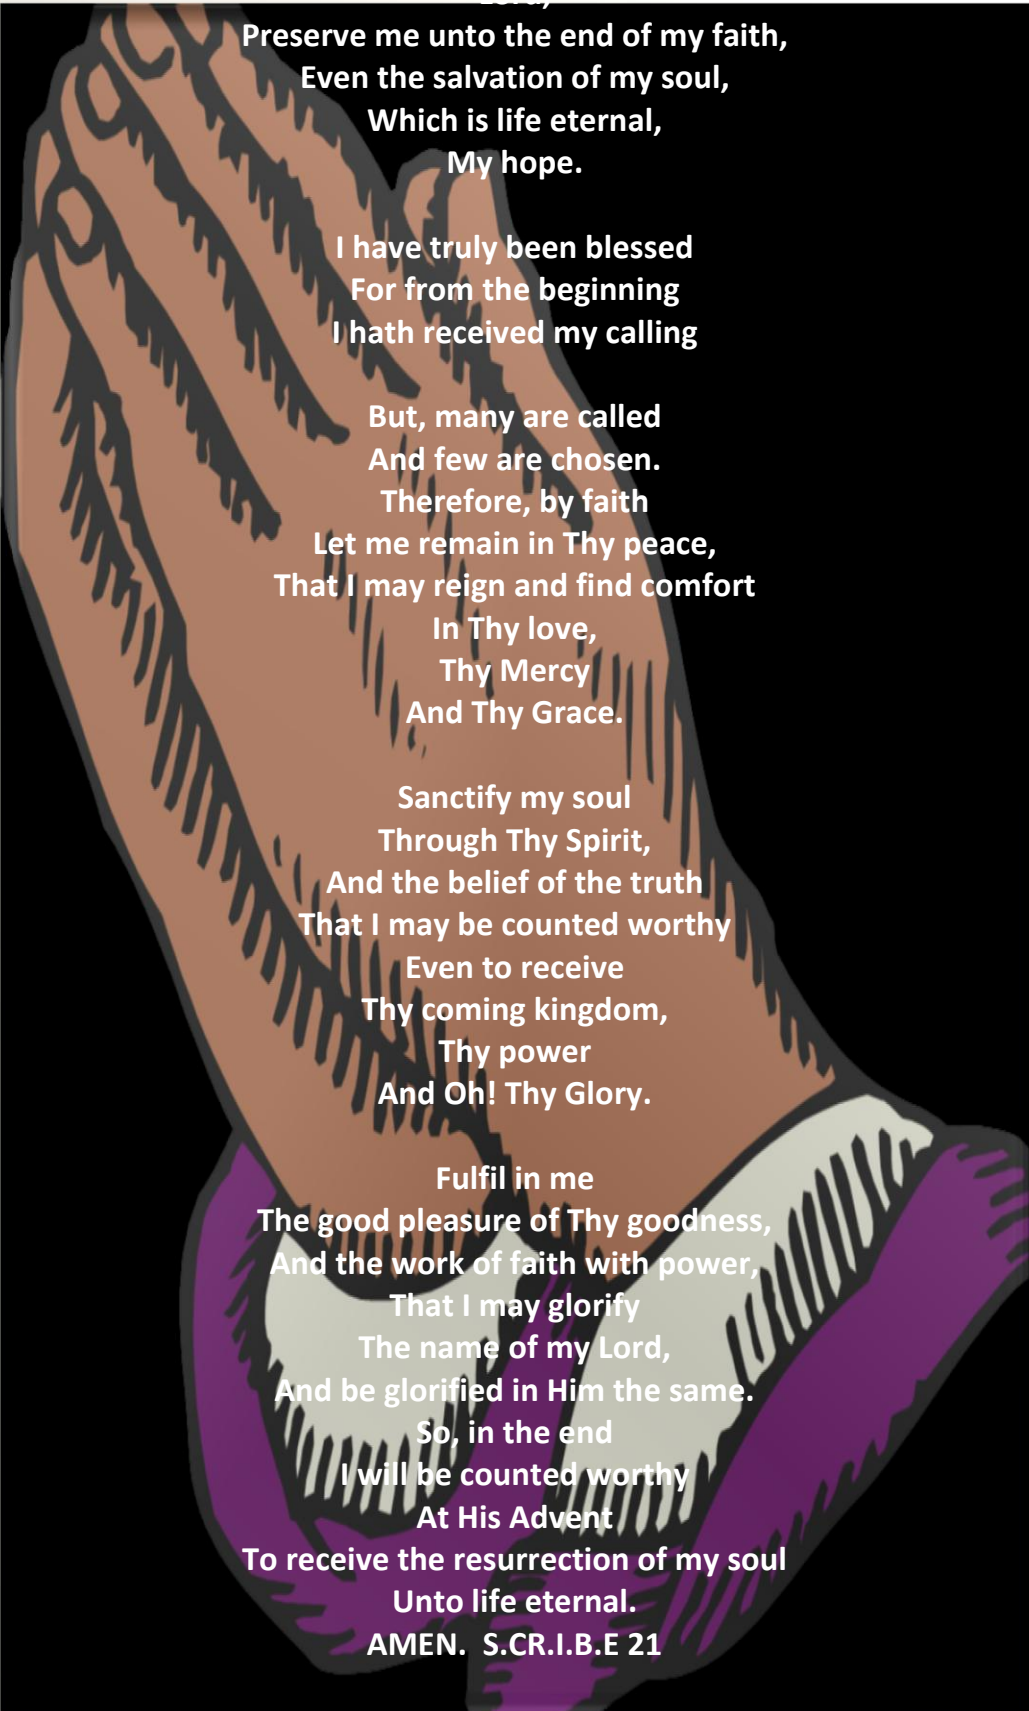

Bruise your heel  
Kill your seed  
All this his wicked deed

Burn him fire  
Brimstone his desire  
Destroy him ever  
We will rejoice  
And be glad

Our Lord God Omnipotent reigneth

S.C.Ri.B.E. 21 11/12/93

## MY PRAYER

A stylized illustration of two hands clasped in prayer, rendered in shades of brown, tan, and purple. The hands are positioned on the left side of the page, with fingers pointing upwards. The background is black, and the entire scene is framed by a white border.

Preserve me unto the end of my faith,  
Even the salvation of my soul,  
Which is life eternal,  
My hope.

I have truly been blessed  
For from the beginning  
I hath received my calling

But, many are called  
And few are chosen.  
Therefore, by faith  
Let me remain in Thy peace,  
That I may reign and find comfort  
In Thy love,  
Thy Mercy  
And Thy Grace.

Sanctify my soul  
Through Thy Spirit,  
And the belief of the truth  
That I may be counted worthy  
Even to receive  
Thy coming kingdom,  
Thy power  
And Oh! Thy Glory.

Fulfil in me  
The good pleasure of Thy goodness,  
And the work of faith with power,  
That I may glorify  
The name of my Lord,  
And be glorified in Him the same.

So, in the end  
I will be counted worthy  
At His Advent  
To receive the resurrection of my soul  
Unto life eternal.

AMEN. S.CR.I.B.E 21

# LIFE'S EQUATION

In the chapters and verses of the knowledge of God  
In Him that have the knowledge of good and evil  
His Law this expounds

His Law defines all human experiences  
Based on this fundamental principle  
Qualified by this interchangeable expression  
As a man thinks even so is he  
By beholding so shall ye be change

His Law is immutable  
It He will never compromise  
Even if He must die  
To demonstrate His love unsearchable  
His love for His Law  
Equals His love for us  
Love fulfils the Law  
Every dictate and precepts are met  
Love warrants sacrifice

I'll never change my Law  
Nor ever allow my children to perish  
So have I prepared a Sacrifice  
The substitute

That the Sinless should die for sinners  
That if they love my Law as I do  
They shall never die

This is my sacrifice  
I cannot change my Law  
Where is your sacrifice?

I will demand it  
For I am just  
I'll never ask of thee  
That which I have not done

Sacrifice  
Therefore your carnal nature  
And be ye holy  
For I the Lord am Holy

If ye be willing and obedient  
Ye shall eat the good of the land  
But he that despise my words  
Will die the death of sinners

## THE HUMAN DILEMMA

The human dilemma

A work created

By man's hand

Poverty, sorrow, pain, hatred

All negative influences to the soul

But these rock of stumbling

May be your foundation for the stepping

Scarcely, if ever

Does one hurt his enemy

Without hurting himself

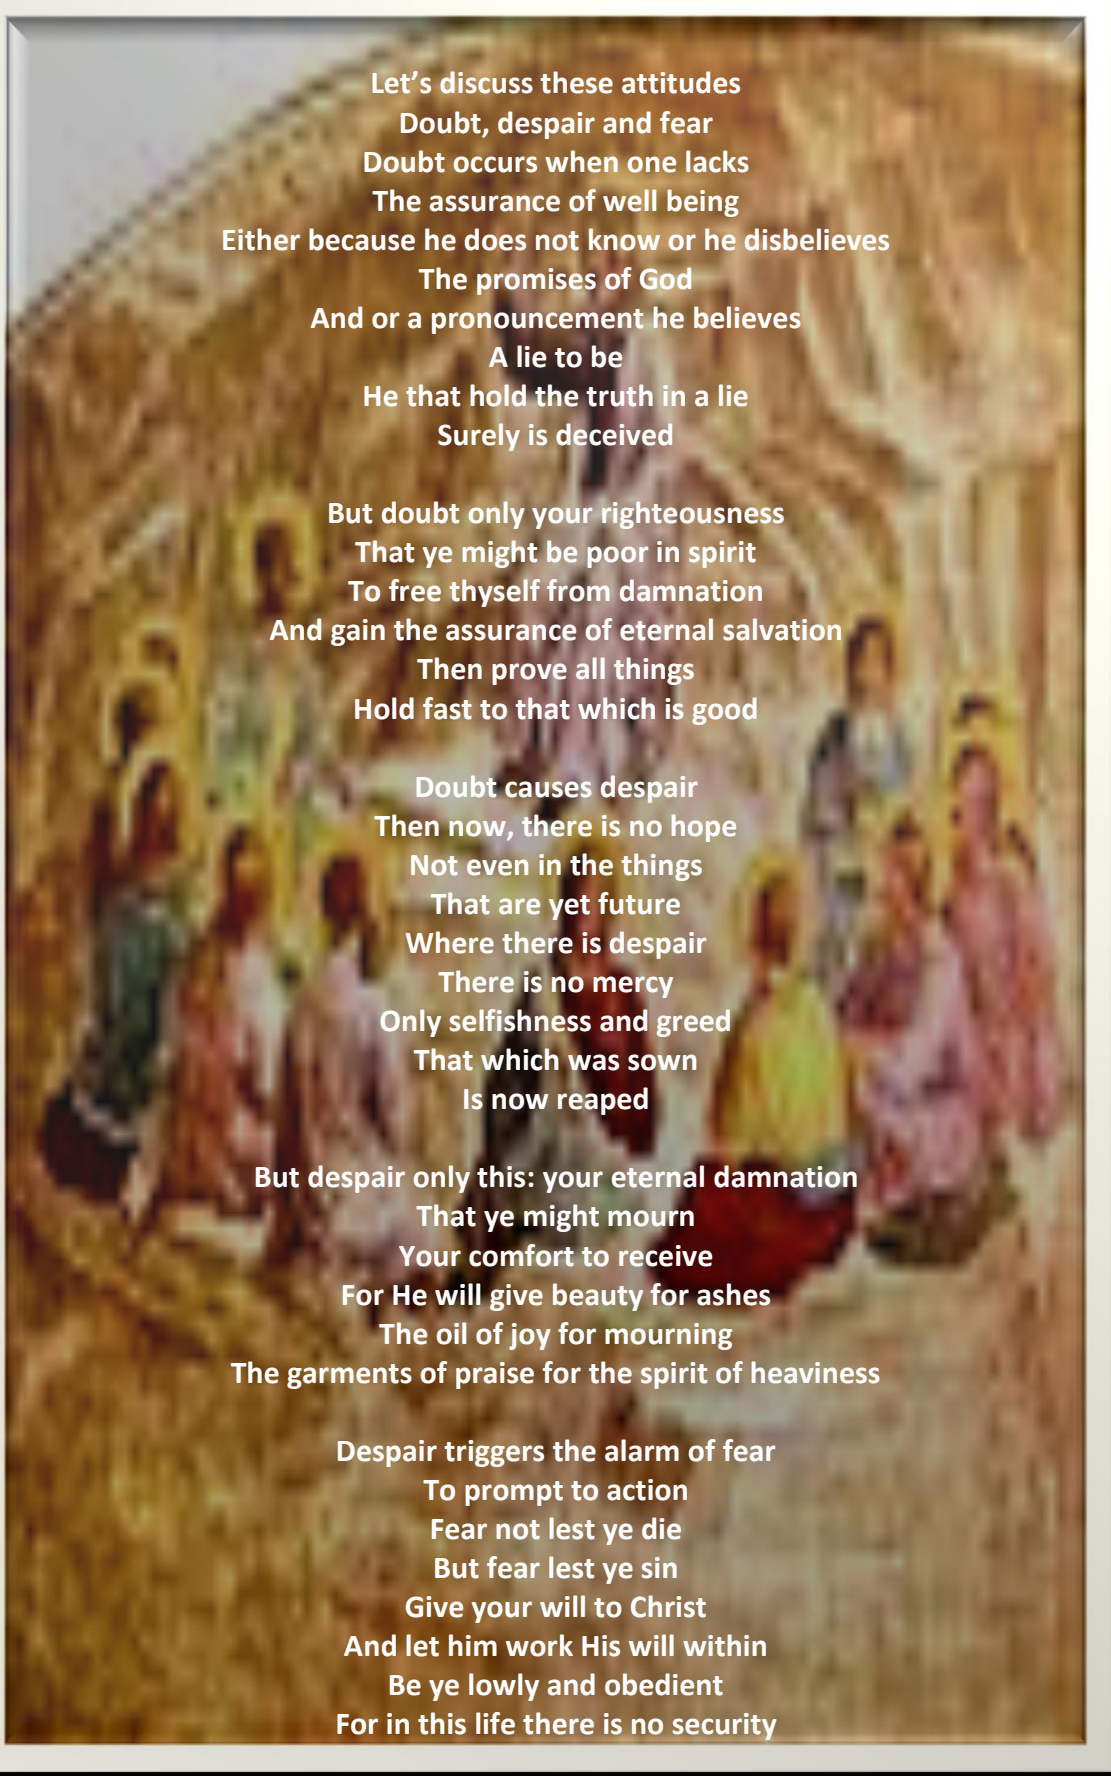

Firstly,

He is a victim for the wrath of God

And secondly one of himself

## THE BEATITUDES

Let's discuss these attitudes  
Doubt, despair and fear  
Doubt occurs when one lacks  
The assurance of well being  
Either because he does not know or he disbelieves  
The promises of God  
And or a pronouncement he believes  
A lie to be  
He that hold the truth in a lie  
Surely is deceived

But doubt only your righteousness  
That ye might be poor in spirit  
To free thyself from damnation  
And gain the assurance of eternal salvation  
Then prove all things  
Hold fast to that which is good

Doubt causes despair  
Then now, there is no hope  
Not even in the things  
That are yet future  
Where there is despair  
There is no mercy  
Only selfishness and greed  
That which was sown  
Is now reaped

But despair only this: your eternal damnation  
That ye might mourn  
Your comfort to receive  
For He will give beauty for ashes  
The oil of joy for mourning  
The garments of praise for the spirit of heaviness

Despair triggers the alarm of fear  
To prompt to action  
Fear not lest ye die  
But fear lest ye sin  
Give your will to Christ  
And let him work His will within  
Be ye lowly and obedient  
For in this life there is no security

## THE BEATITUDES

Only, in that which is to come,  
Therefore, follow after perfect love  
That casts out all fear

Doubt, despair and fear  
Are as the power of the devil  
But the Spirit of God is above all  
And he that believes  
And exercise trust in Him

These attitudes God permits  
In the human experience  
To fulfil His will  
To convict of sin

Now let's discuss these attitudes  
Faith, hope and love  
Faith comes by hearing  
And hearing by the word of God  
Ye receive the Spirit  
By the hearing of faith  
Therefore he that hunger  
And thirst after righteousness  
Shall be filled

Hope is the foundation of faith  
For faith is the truth hoped for  
The evidence of things not seen  
Without hope faith cannot be

Hope comes through mercy's doors  
For the wages of sin is death  
He that has faith has hope  
Where there is hope mercy is sure

Mercy's doors remain ajar for you and I  
If only God's truth we embrace  
Yeah, mercy and truth have met together  
As you have sown even so shall ye reap  
Therefore, the merciful shall obtain mercy  
For God's truth

If embraced he becomes a channel for His mercy

## THE BEATITUDES

As the truth gives hope  
Therefore, he that lacks mercy  
Despise God's truth  
For the things that are secrets  
Manifest themselves in the things that are seen

Love comes from hope  
Love is the action of faith  
Love is the truth  
And God is Love  
The truth gives hope

Love is found in a heart that is pure  
Yeah sanctified by the truth  
And filled with mercy  
Even this soul shall see God  
This is he that is righteous  
Great peace he will offer  
He is a child of God  
Now righteousness and peace  
Have kissed each other

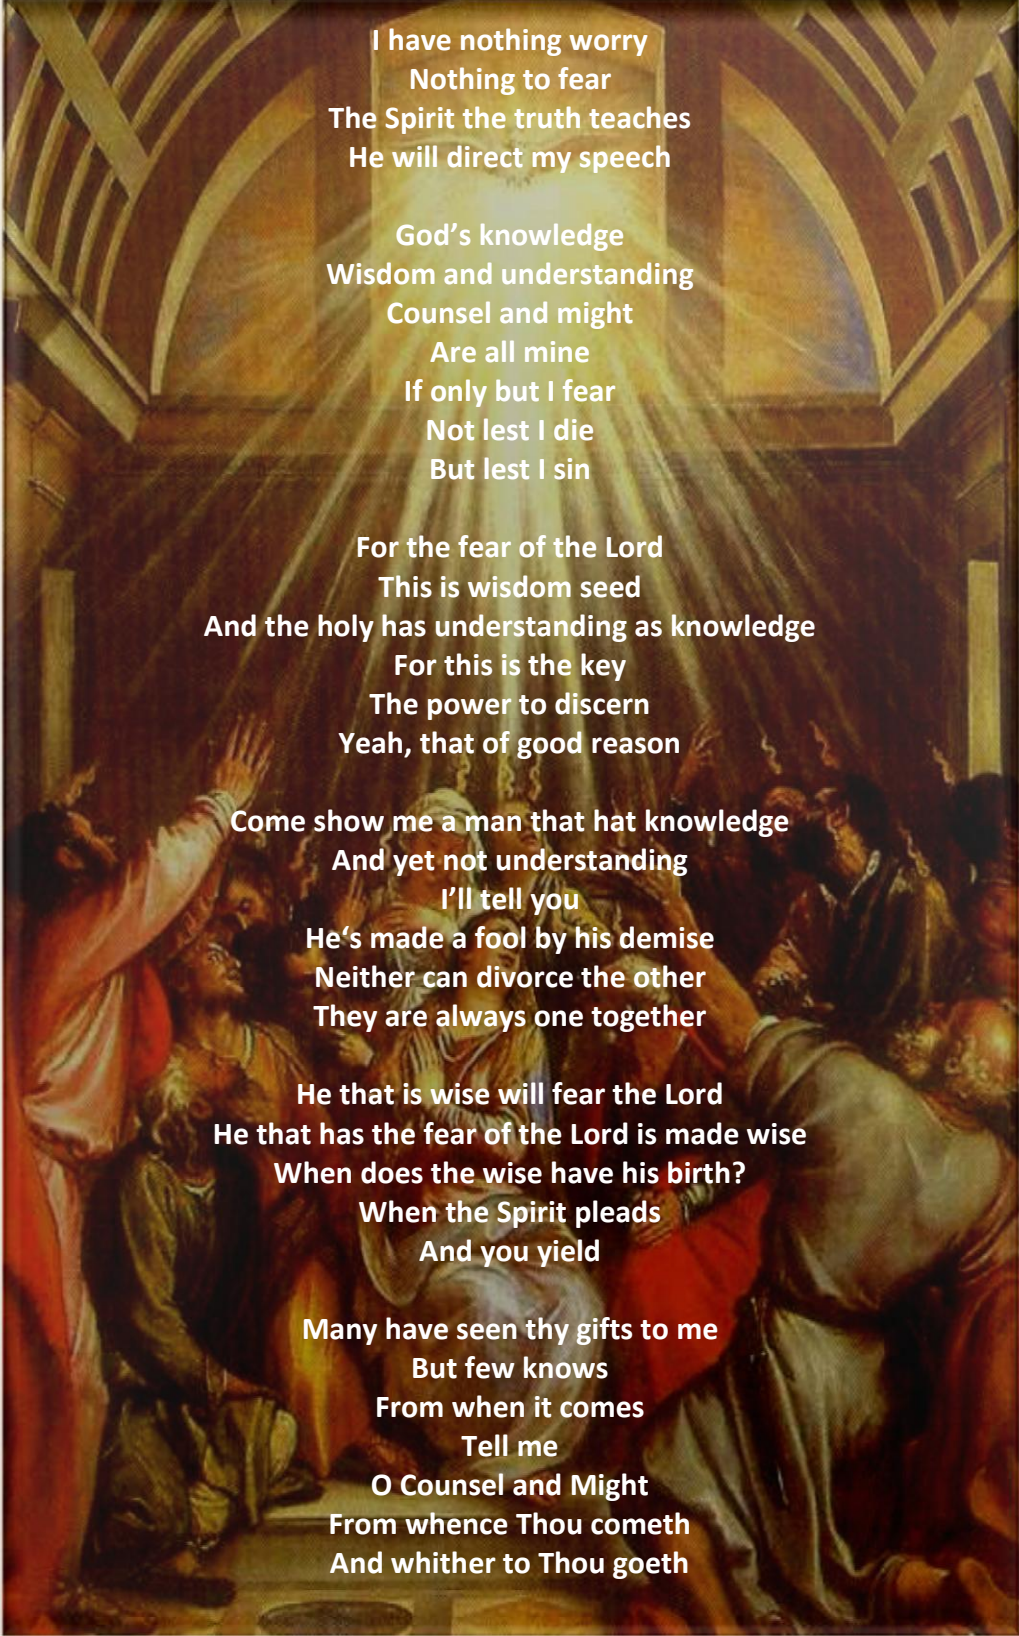

Now abides faith, hope and charity  
These three  
But the greatest of these is charity  
Follow after charity  
And desire spiritual gifts

These attitudes  
God permits in the human experience  
To fulfil His will to convict of righteousness

Trials, persecutions and false accusations  
These circumstances  
The Lord permits in the human experience  
To fulfil His will to convict of judgement  
That I resist not evil with evil  
And deliver my soul from the pit of hell

Rejoice, therefore ye pure in heart  
Rejoice always, Give thanks and sing  
For so persecute they the Prophets  
Which were before thee

# ANOINTED

I have nothing worry  
Nothing to fear  
The Spirit the truth teaches  
He will direct my speech

God's knowledge  
Wisdom and understanding  
Counsel and might  
Are all mine  
If only but I fear  
Not lest I die  
But lest I sin

For the fear of the Lord  
This is wisdom seed  
And the holy has understanding as knowledge  
For this is the key  
The power to discern  
Yeah, that of good reason

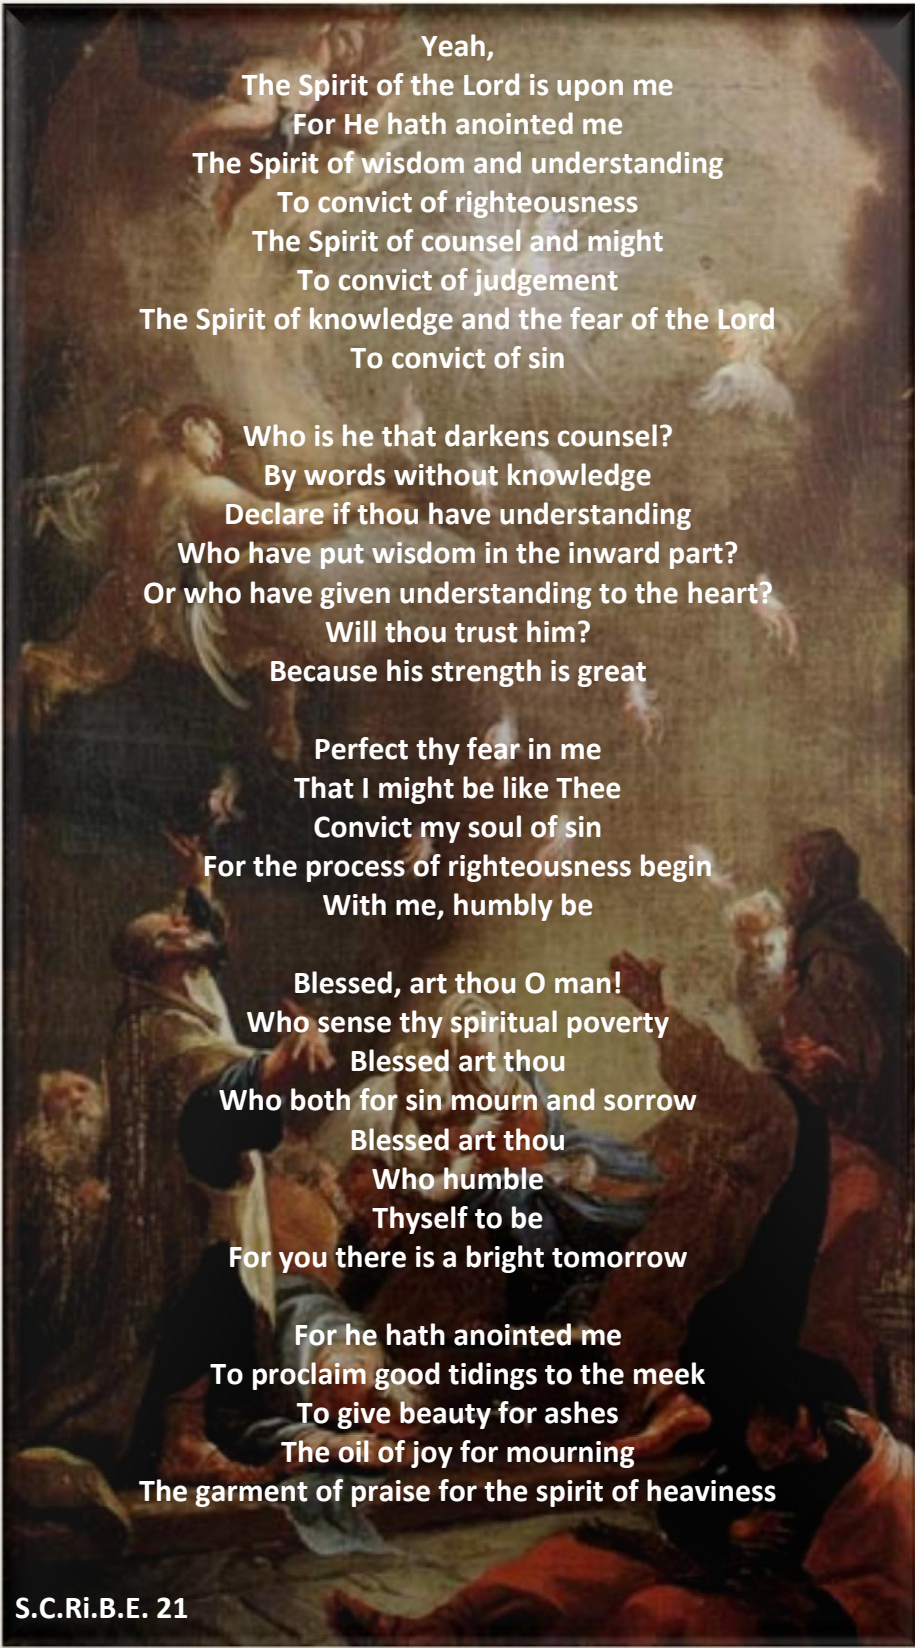

Come show me a man that hat knowledge  
And yet not understanding  
I'll tell you  
He's made a fool by his demise  
Neither can divorce the other  
They are always one together

He that is wise will fear the Lord  
He that has the fear of the Lord is made wise  
When does the wise have his birth?  
When the Spirit pleads  
And you yield

Many have seen thy gifts to me  
But few knows  
From when it comes  
Tell me  
O Counsel and Might  
From whence Thou cometh  
And whither to Thou goeth

# ANOINTED

Yeah,  
The Spirit of the Lord is upon me  
For He hath anointed me  
The Spirit of wisdom and understanding  
To convict of righteousness  
The Spirit of counsel and might  
To convict of judgement  
The Spirit of knowledge and the fear of the Lord  
To convict of sin

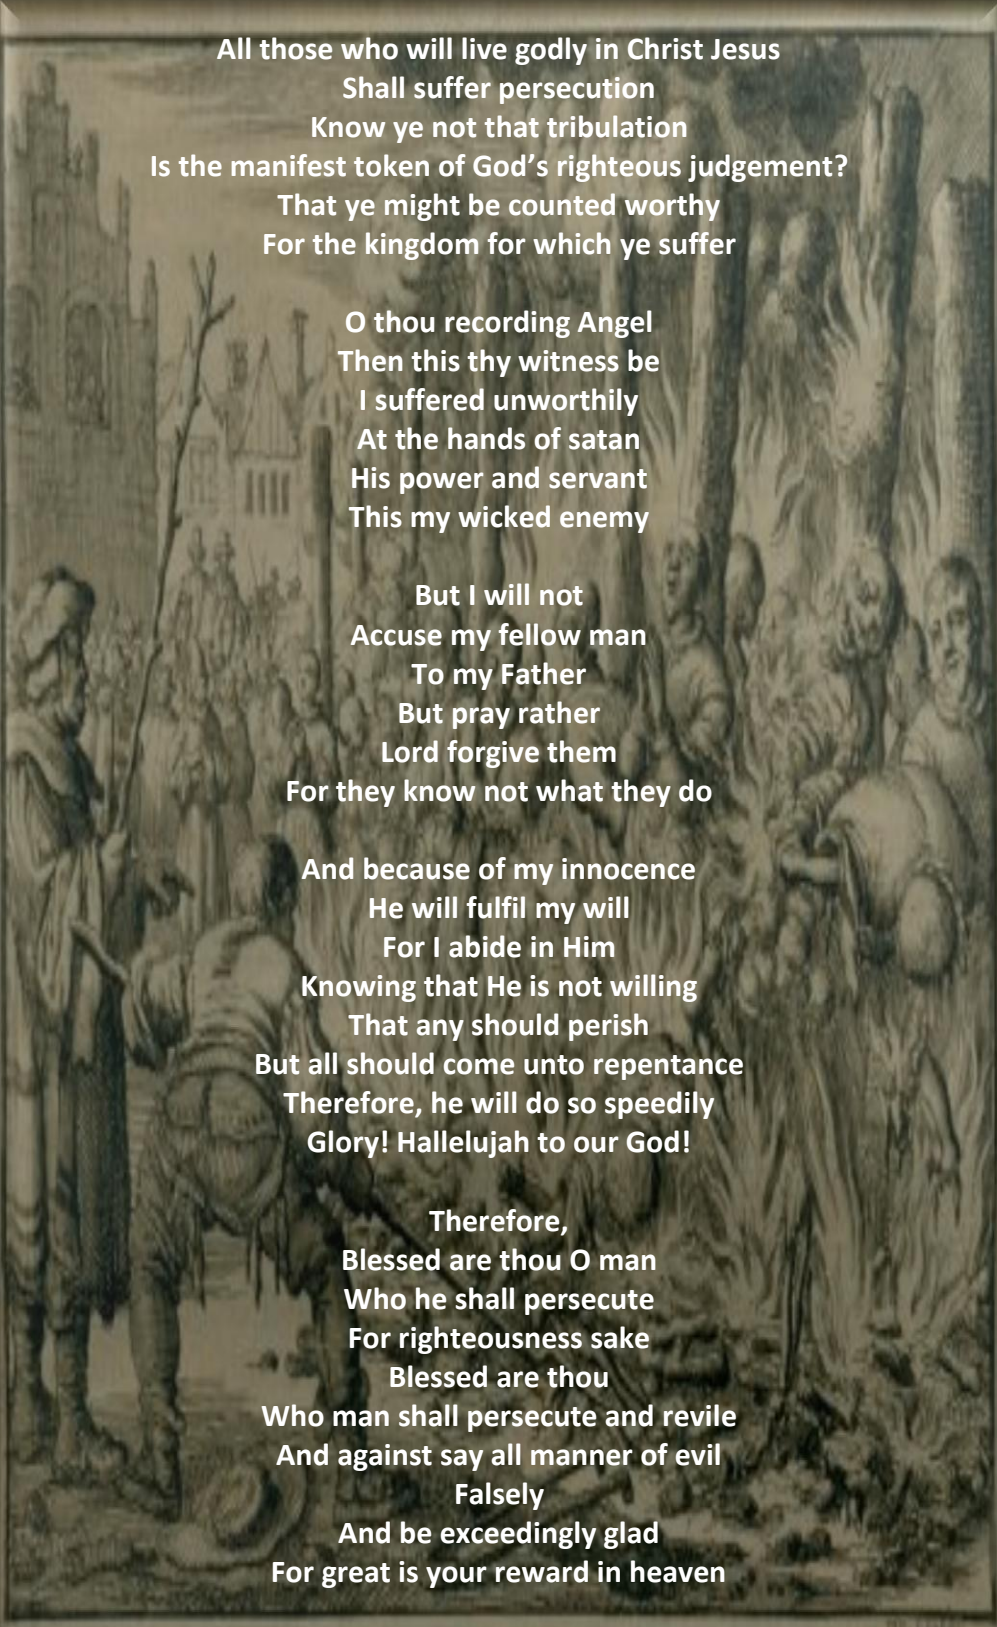

Who is he that darkens counsel?  
By words without knowledge  
Declare if thou have understanding  
Who have put wisdom in the inward part?  
Or who have given understanding to the heart?  
Will thou trust him?  
Because his strength is great

Perfect thy fear in me  
That I might be like Thee  
Convict my soul of sin  
For the process of righteousness begin  
With me, humbly be

Blessed, art thou O man!  
Who sense thy spiritual poverty  
Blessed art thou  
Who both for sin mourn and sorrow  
Blessed art thou  
Who humble  
Thyself to be  
For you there is a bright tomorrow

For he hath anointed me  
To proclaim good tidings to the meek  
To give beauty for ashes  
The oil of joy for mourning  
The garment of praise for the spirit of heaviness

# THE GODLY PERSECUTED

All those who will live godly in Christ Jesus  
Shall suffer persecution  
Know ye not that tribulation  
Is the manifest token of God's righteous judgement?  
That ye might be counted worthy  
For the kingdom for which ye suffer

O thou recording Angel  
Then this thy witness be  
I suffered unworthily  
At the hands of satan  
His power and servant  
This my wicked enemy

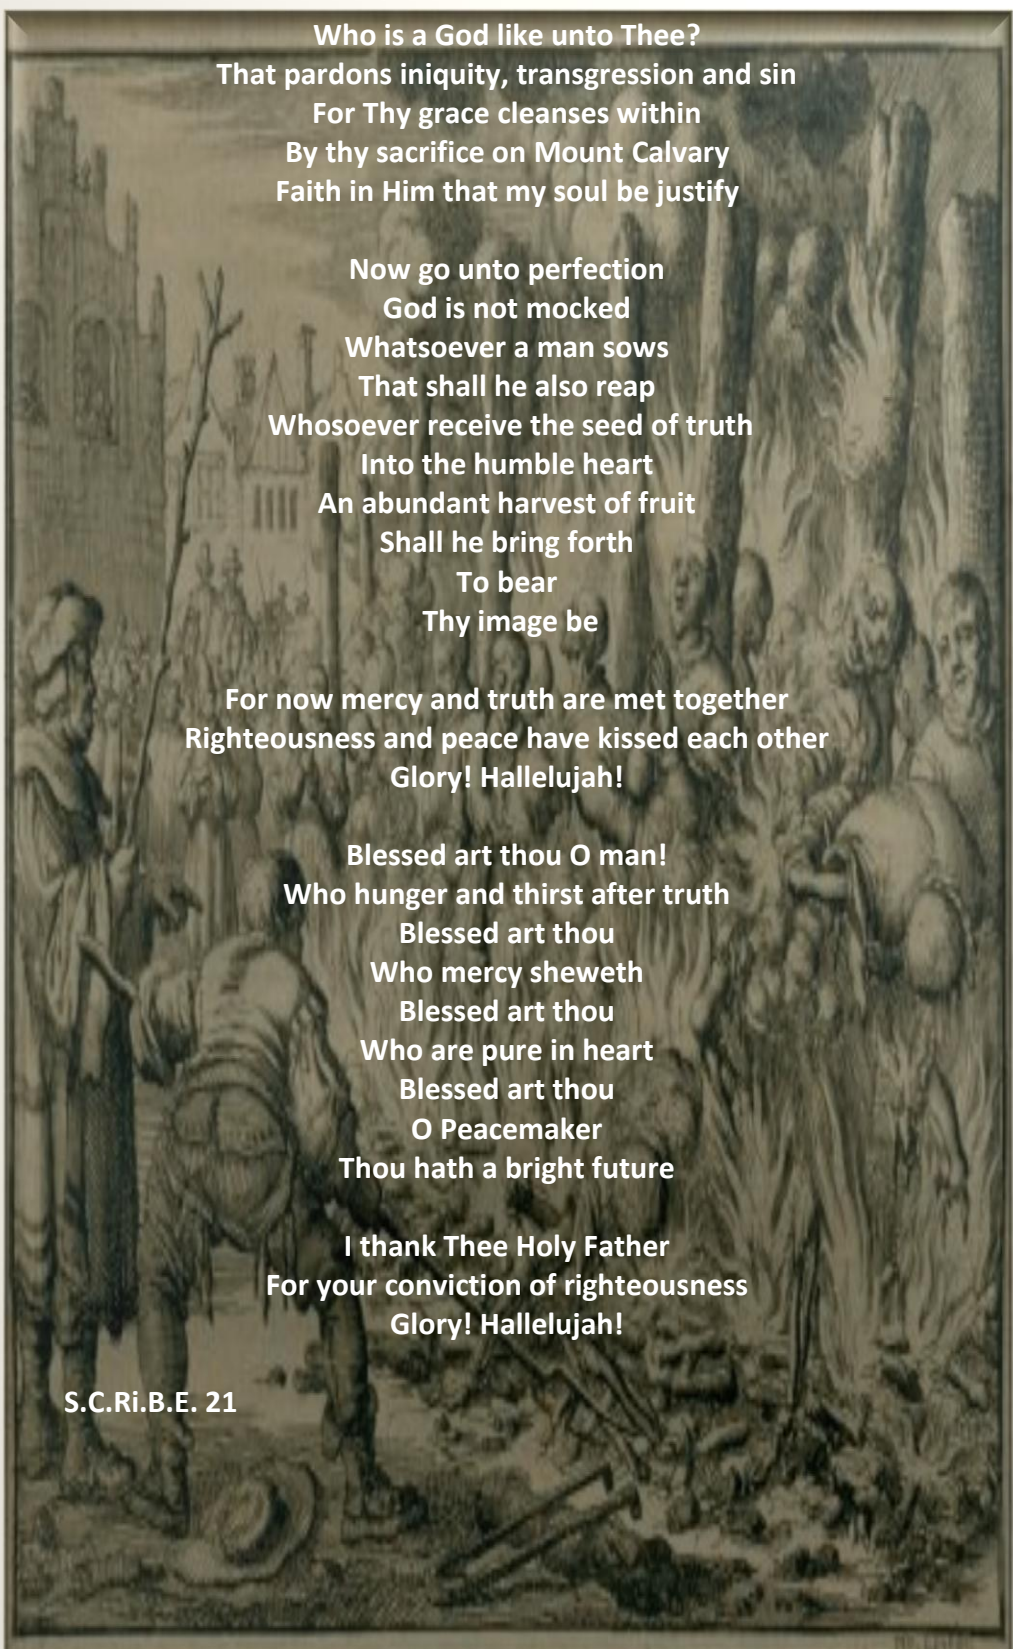

But I will not  
Accuse my fellow man  
To my Father  
But pray rather  
Lord forgive them  
For they know not what they do

And because of my innocence  
He will fulfil my will  
For I abide in Him  
Knowing that He is not willing  
That any should perish  
But all should come unto repentance  
Therefore, he will do so speedily  
Glory! Hallelujah to our God!

Therefore,  
Blessed are thou O man  
Who he shall persecute  
For righteousness sake  
Blessed are thou  
Who man shall persecute and revile  
And against say all manner of evil  
Falsely  
And be exceedingly glad  
For great is your reward in heaven

# THE GODLY PERSECUTED

Who is a God like unto Thee?  
That pardons iniquity, transgression and sin  
For Thy grace cleanses within  
By thy sacrifice on Mount Calvary  
Faith in Him that my soul be justify

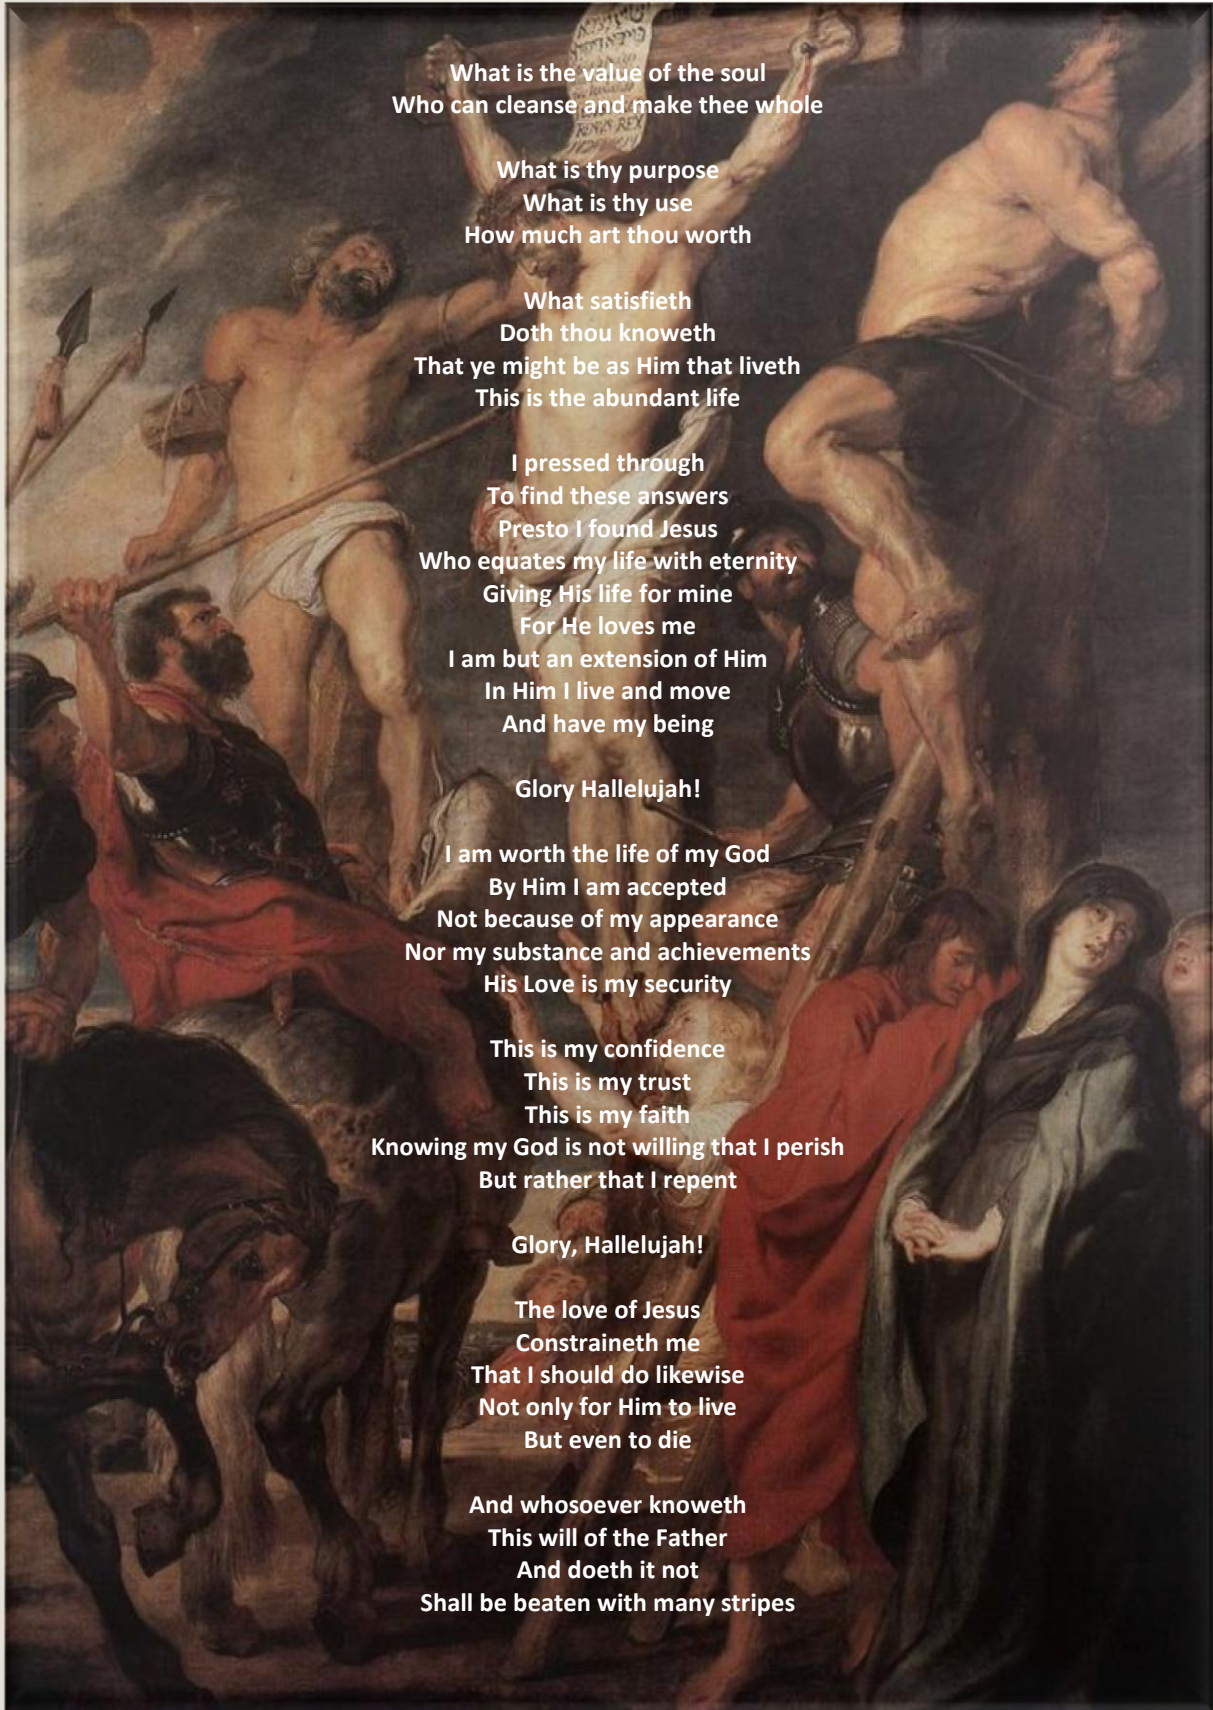

Now go unto perfection  
God is not mocked  
Whatsoever a man sows  
That shall he also reap  
Whosoever receive the seed of truth  
Into the humble heart  
An abundant harvest of fruit  
Shall he bring forth  
To bear  
Thy image be

For now mercy and truth are met together  
Righteousness and peace have kissed each other  
Glory! Hallelujah!

Blessed art thou O man!  
Who hunger and thirst after truth  
Blessed art thou  
Who mercy sheweth  
Blessed art thou  
Who are pure in heart  
Blessed art thou  
O Peacemaker  
Thou hath a bright future

I thank Thee Holy Father  
For your conviction of righteousness  
Glory! Hallelujah!

# NONE IS EXCUSED

What is the value of the soul  
Who can cleanse and make thee whole

What is thy purpose  
What is thy use  
How much art thou worth

What satisfieth  
Doth thou knoweth  
That ye might be as Him that liveth  
This is the abundant life

I pressed through  
To find these answers  
Presto I found Jesus  
Who equates my life with eternity  
Giving His life for mine  
For He loves me  
I am but an extension of Him  
In Him I live and move  
And have my being

Glory Hallelujah!

I am worth the life of my God  
By Him I am accepted  
Not because of my appearance  
Nor my substance and achievements  
His Love is my security

This is my confidence  
This is my trust  
This is my faith  
Knowing my God is not willing that I perish  
But rather that I repent

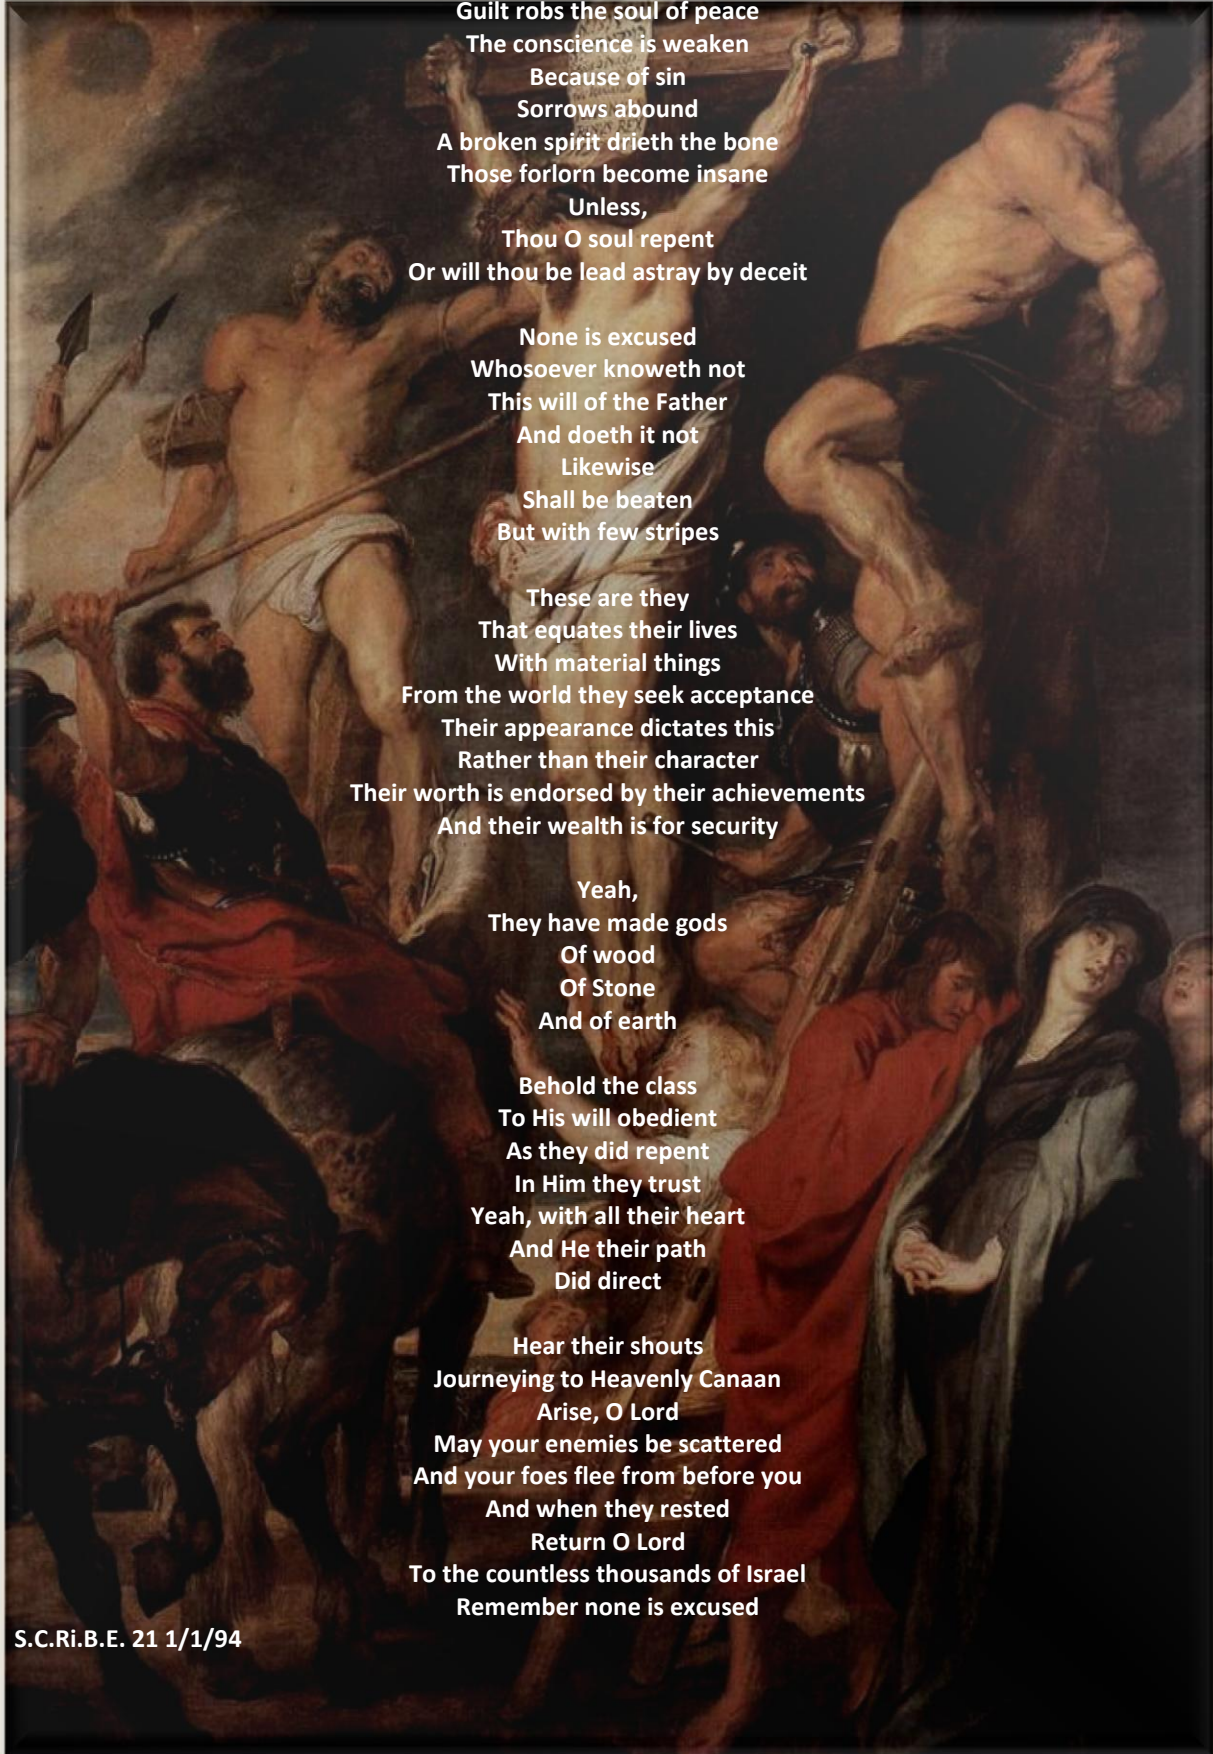

Glory, Hallelujah!

The love of Jesus  
Constraineth me  
That I should do likewise  
Not only for Him to live  
But even to die

And whosoever knoweth  
This will of the Father  
And doeth it not  
Shall be beaten with many stripes

# NONE IS EXCUSED

Guilt robs the soul of peace  
The conscience is weaken  
Because of sin  
Sorrows abound  
A broken spirit drieth the bone  
Those forlorn become insane  
Unless,  
Thou O soul repent  
Or will thou be lead astray by deceit

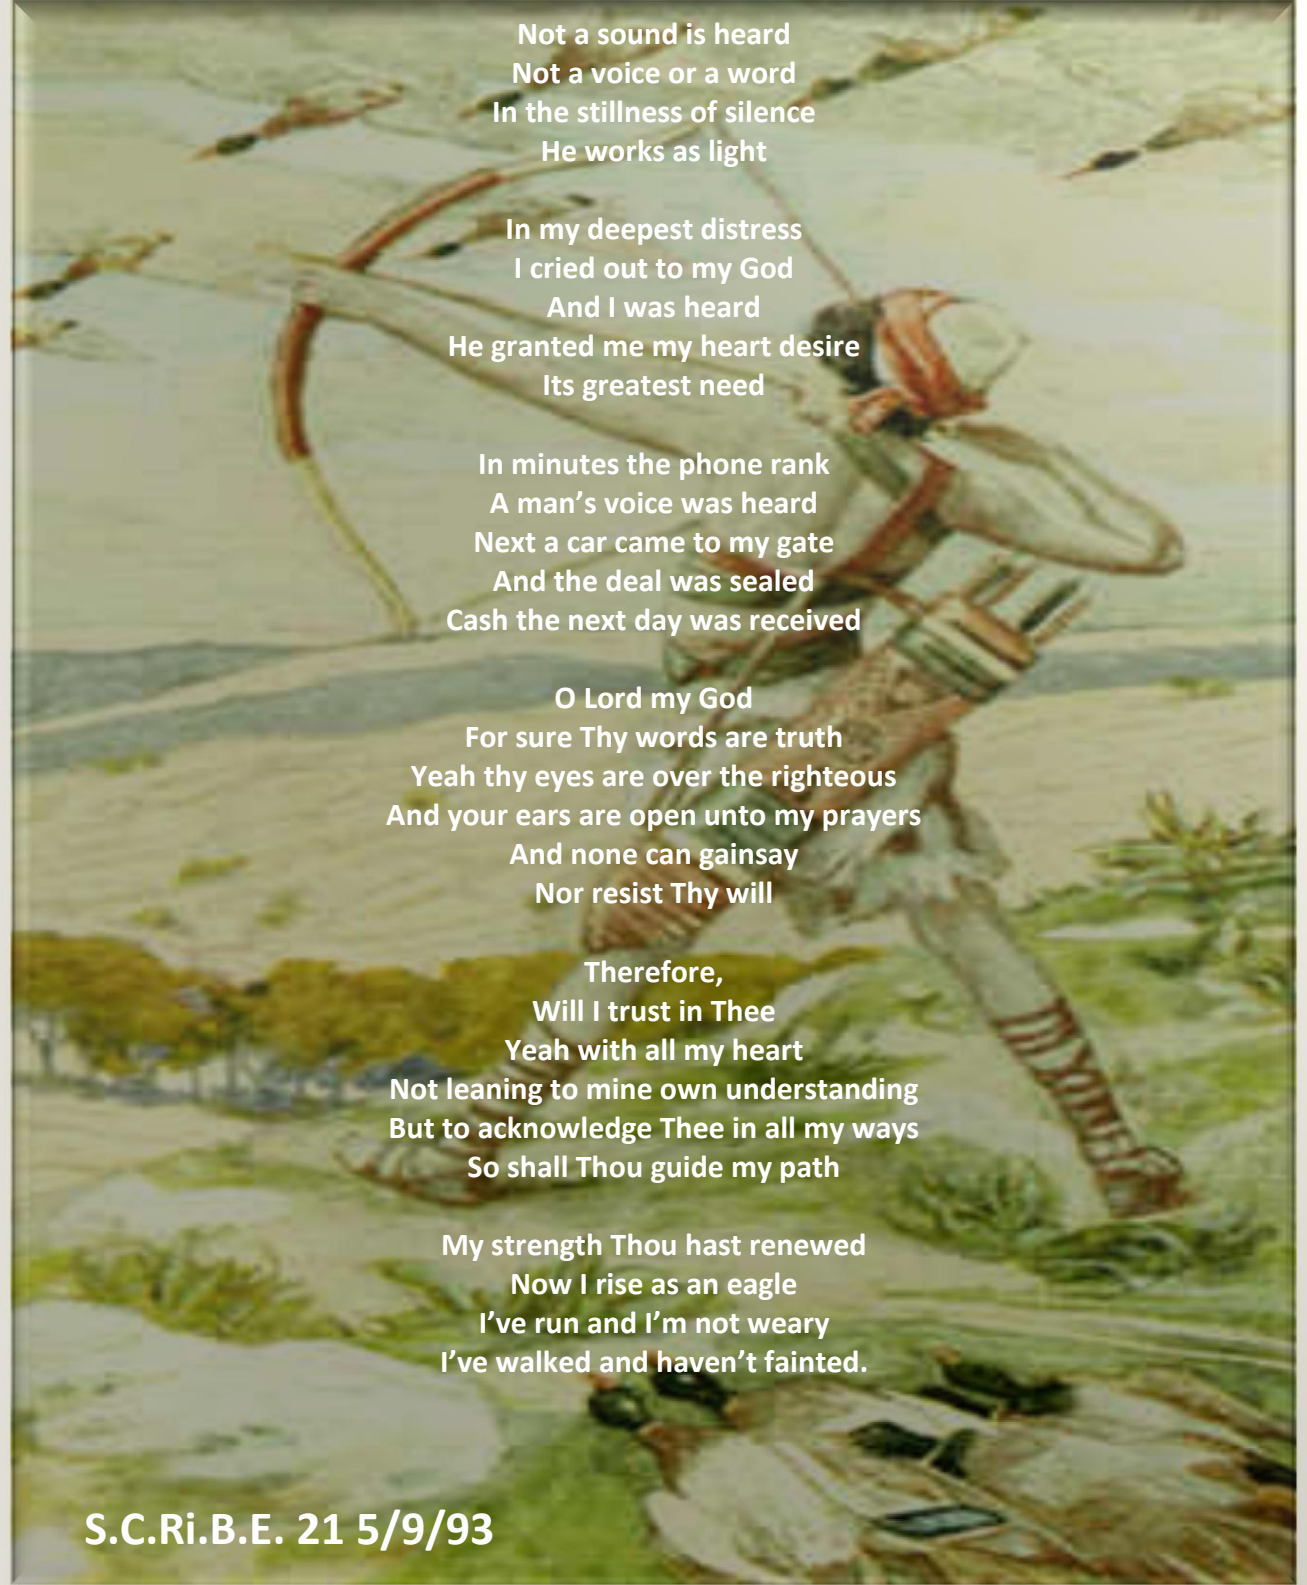

None is excused  
Whosoever knoweth not  
This will of the Father  
And doeth it not  
Likewise  
Shall be beaten  
But with few stripes  
These are they  
That equates their lives  
With material things  
From the world they seek acceptance  
Their appearance dictates this  
Rather than their character  
Their worth is endorsed by their achievements  
And their wealth is for security

Yeah,  
They have made gods  
Of wood  
Of Stone  
And of earth

Behold the class  
To His will obedient  
As they did repent  
In Him they trust  
Yeah, with all their heart  
And He their path  
Did direct

Hear their shouts  
Journeying to Heavenly Canaan  
Arise, O Lord  
May your enemies be scattered  
And your foes flee from before you  
And when they rested  
Return O Lord  
To the countless thousands of Israel  
Remember none is excused

## I CRIED AND WAS HEARD

Not a sound is heard  
Not a voice or a word  
In the stillness of silence  
He works as light

In my deepest distress  
I cried out to my God  
And I was heard  
He granted me my heart desire  
Its greatest need

In minutes the phone rang  
A man's voice was heard  
Next a car came to my gate  
And the deal was sealed  
Cash the next day was received

O Lord my God  
For sure Thy words are truth  
Yeah thy eyes are over the righteous  
And your ears are open unto my prayers  
And none can gainsay  
Nor resist Thy will

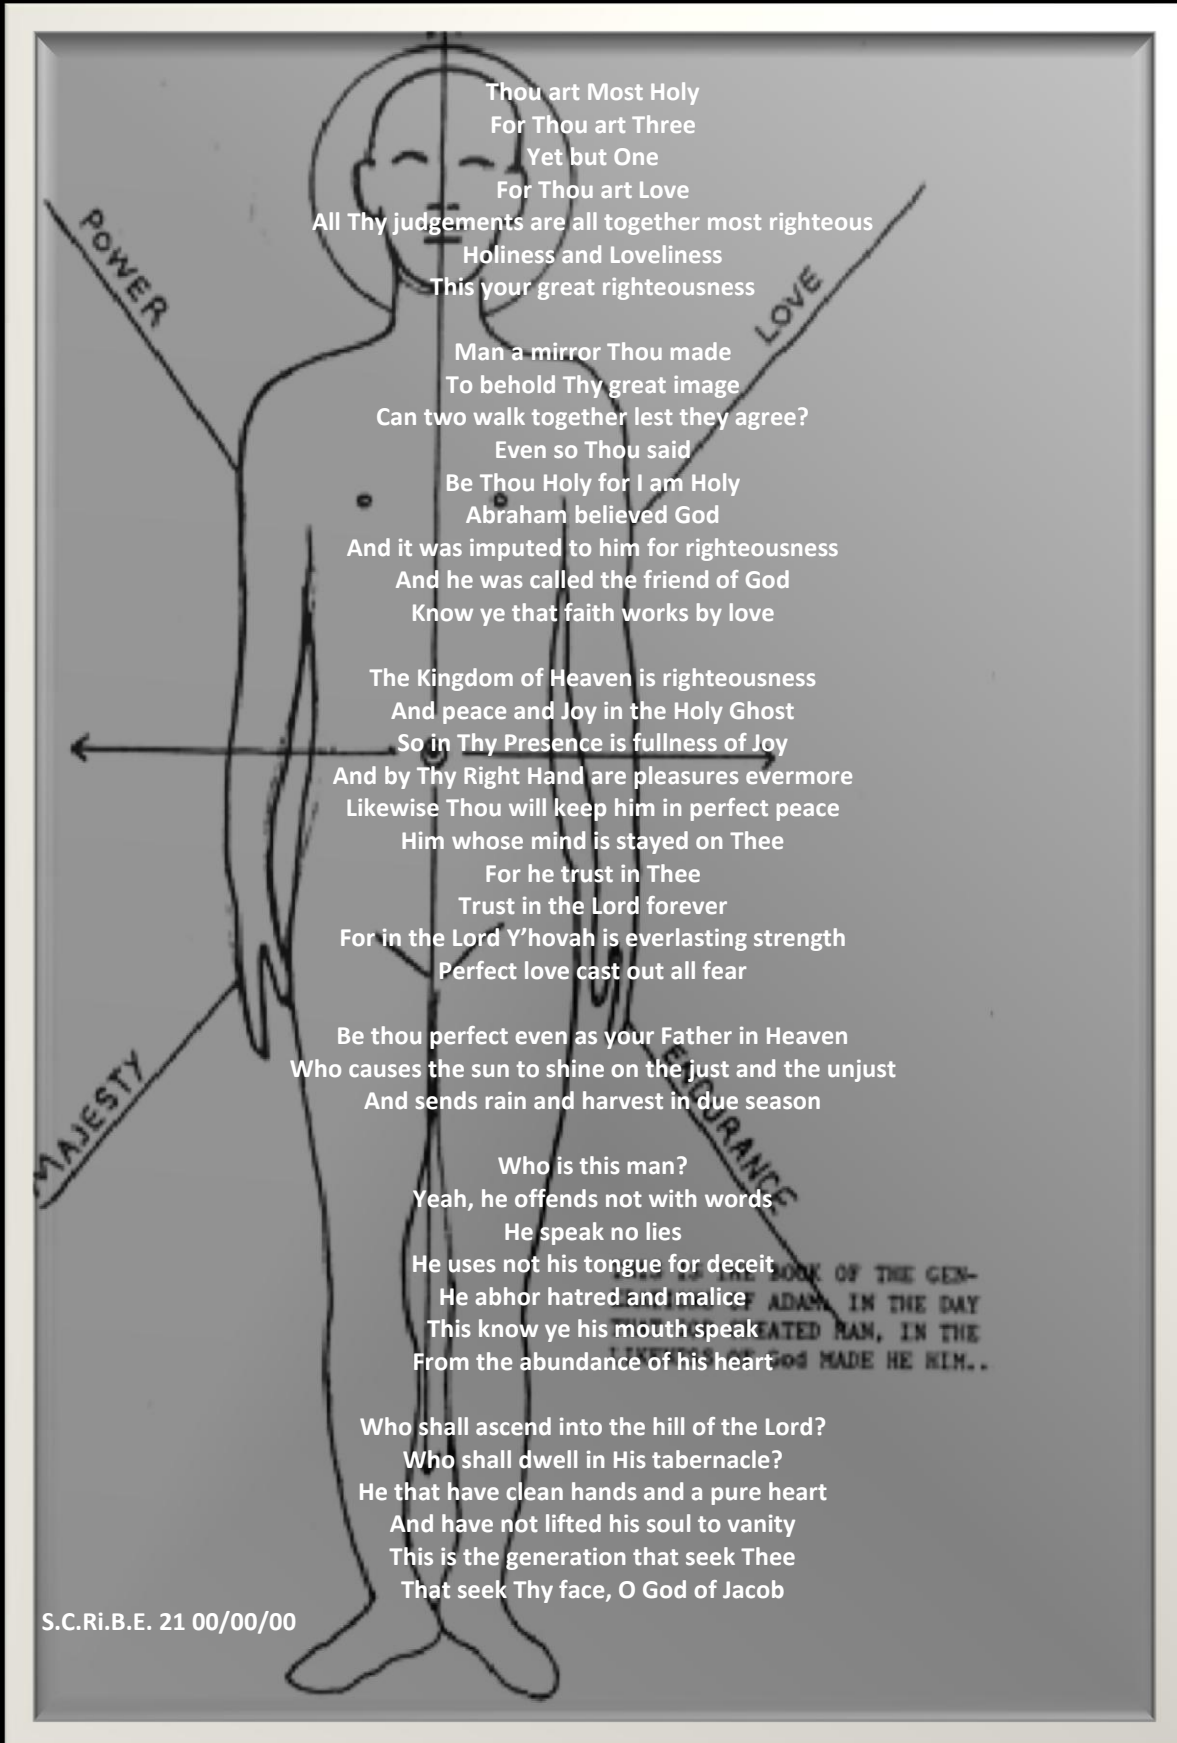

Therefore,  
Will I trust in Thee  
Yeah with all my heart  
Not leaning to mine own understanding  
But to acknowledge Thee in all my ways  
So shall Thou guide my path

My strength Thou hast renewed  
Now I rise as an eagle  
I've run and I'm not weary  
I've walked and haven't fainted.

# THE PERFECT MAN

## AGAPE`

Can two walk together lest they be agreed?

That's rhetoric

Mercy is from everlasting to everlasting

Mercy is the door to the House of Peace

Mercy will always plead Forgiveness

Only if Truth makes His Presence felt

The Union begins

Mercy and Truth are met together

Therefore,

Righteousness and Peace

Will kiss each other

In the absence of Truth there is no Mercy

Only evil or deceit

But Thou O Lord show Mercy

To all those who love Thee

And keep thy commandments

Therefore all thy commandments are Truth

The Truth is Thy Words

Therefore Thy Words

Thou esteem above Thy Name

In the absence of Mercy

Thy fierce wrath and anger execute

Thy great judgements

Woe to the iniquities, transgressors and sinners

For they despise thy longsuffering and forbearance

Not knowing that they lead to repentance

## AGAPE`

Behold the goodness of the Lord:  
Who made the sun an ordinance to rule the day!  
And the moon to shine by night  
And gives the four seasons of the year  
And sends the rain, seed and harvest time  
To feed all upon the earth  
Yea, his children and even their enemy

Behold the Man Christ!  
The Word of God  
Full of Grace and Truth  
For God so loved the world  
That He gave His only begotten Son  
That whosoever believes in Him  
Doth not perish but have everlasting life

Worship the Lord in the Beauty of Holiness  
Holiness is agreement with God  
Behold the Beauty of the Lord:  
Merciful and Gracious  
Longsuffering and Abundant in Goodness and Truth  
Forgiving iniquity, transgression and sin  
That by no means clearing the guilty

For by beholding so will ye change  
Into the selfsame image  
As her with the twelve starred crown  
Clothed with the Sun  
And be-stooled with the Moon

# FILIAL

Remember Mercy is the door to the House of Peace  
Forgiveness is the key to Mercy's door  
That will be granted only to those who love the Truth  
This is the Temple of the Lord

The Spirit of Grace will inspire  
The Heart to confess  
One thing do I desire  
That will I seek after  
That I may dwell in the House of the Lord  
All the days of my life  
To behold the Beauty of the Lord  
And to inquire in His Temple

Those who make this Confession  
Desire to go unto perfection  
Perfect Peace, Fullness of Joy  
And Pleasures for evermore  
These will He grant as inspiration  
That they might have Understanding  
In all things they enquire

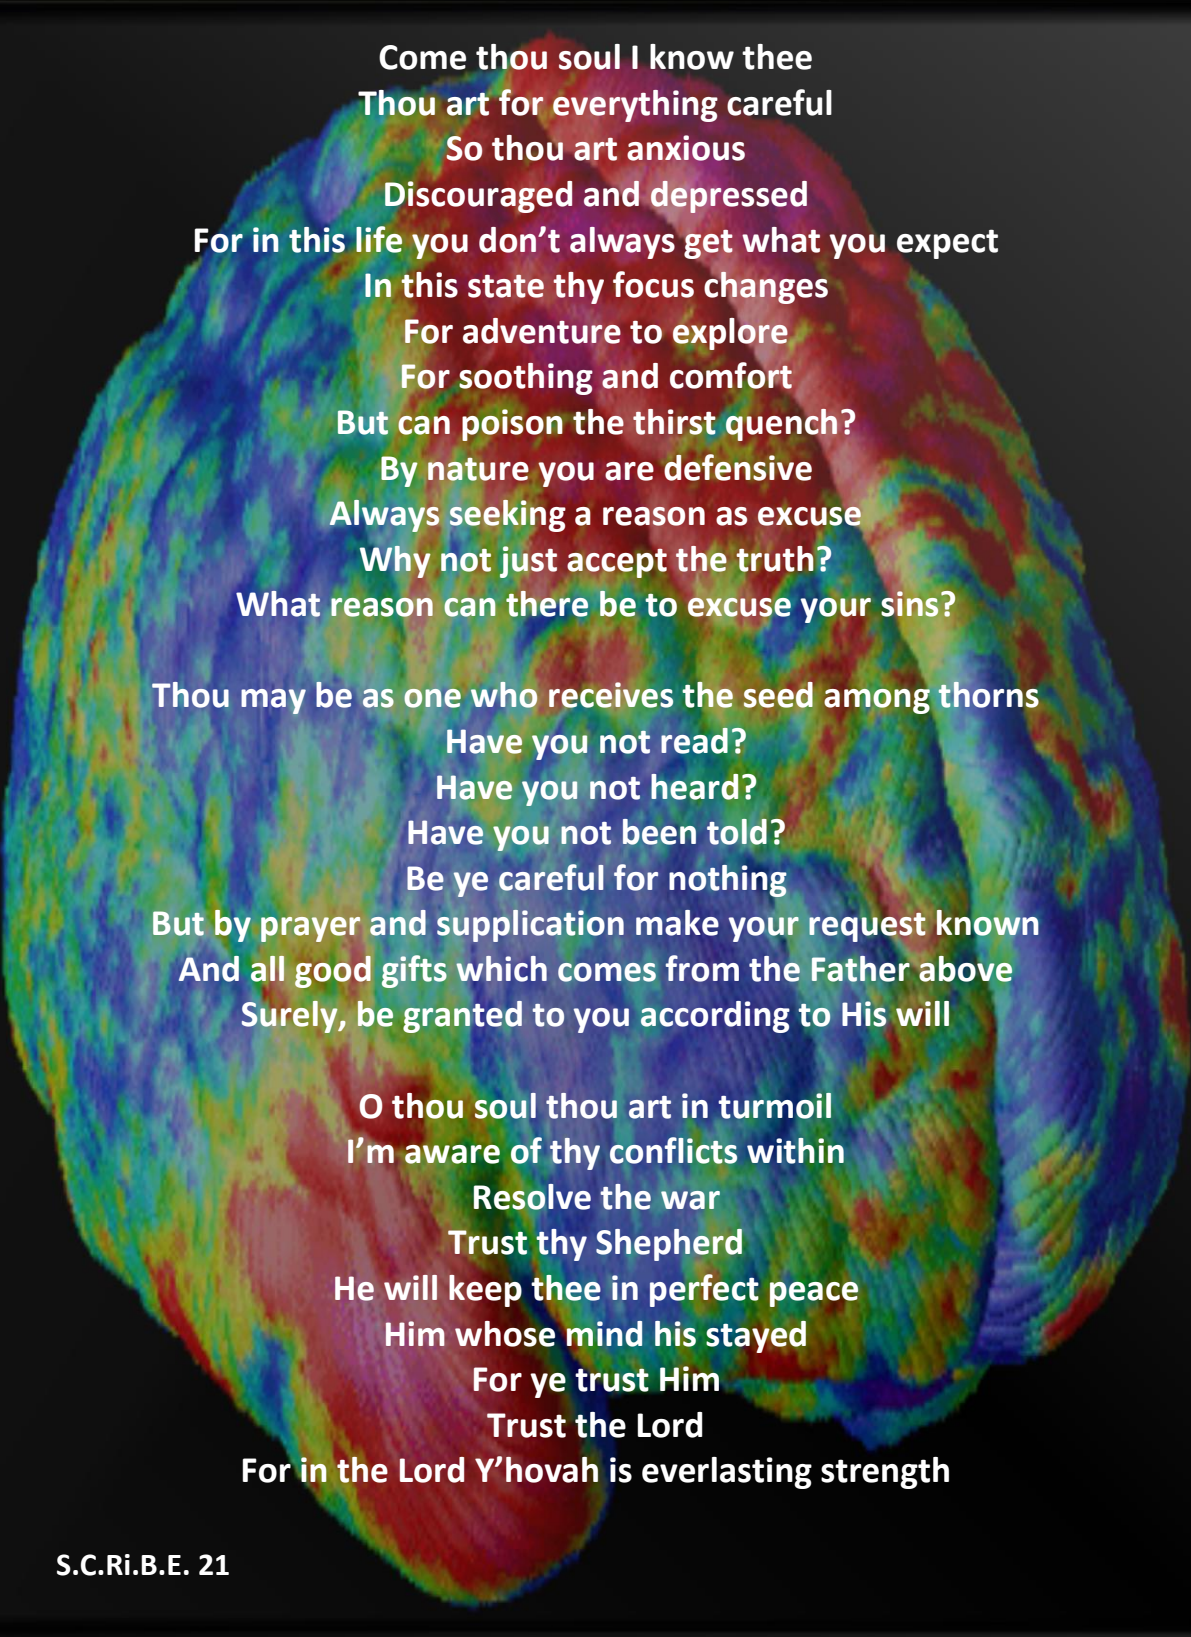

These are they who are perfect in Love  
No evil they fear  
And this is Love:  
Suffers long and is Kind  
Not rash nor Puffed up  
Doesn't behave indecently  
Nor seeks her own  
Not easily provoked nor thinks evil  
Rejoices not in iniquity but the Truth  
Bears all things, believes all things  
Hopes in all things  
And endures all things

These are the servants of the Almighty  
Who assist to reconcile all of God's Creation  
They seek His forgiveness for their enemies:  
Father forgive them  
For they know not what they do  
Shall not the Omnipotent  
Allow the wicked one the situations to create  
That they might acknowledge the Truth  
To the salvation of their souls

Yea,  
For our Lord God who is Gracious  
Have no pleasure in the death of the wicked  
But that all should come to repentance

## THE MIND (AT) (DIS)EASE

Come thou soul I know thee  
Thou art for everything careful  
So thou art anxious  
Discouraged and depressed  
For in this life you don't always get what you expect  
In this state thy focus changes  
For adventure to explore  
For soothing and comfort  
But can poison the thirst quench?  
By nature you are defensive  
Always seeking a reason as excuse  
Why not just accept the truth?  
What reason can there be to excuse your sins?

Thou may be as one who receives the seed among thorns  
Have you not read?  
Have you not heard?  
Have you not been told?  
Be ye careful for nothing  
But by prayer and supplication make your request known  
And all good gifts which comes from the Father above  
Surely, be granted to you according to His will

O thou soul thou art in turmoil  
I'm aware of thy conflicts within  
Resolve the war  
Trust thy Shepherd  
He will keep thee in perfect peace  
Him whose mind his stayed  
For ye trust Him  
Trust the Lord  
For in the Lord Y'hovah is everlasting strength

## WISE COUNSELS

Whosoever refuses to heed the counsel of the wise,  
Shall not this life teach him the same?

By beholding so are ye changed  
Whatsoever is sown  
Is also reaped

A little affection rules a man  
As the wind the big oak tree  
The man that trust in riches  
Is as white ants on a dead carcass  
Cast in the midst of the sea

Many cares weary the soul  
But Thy Words O God  
Is life unto me!

All man's doings  
Outside Thy will are suicidal

This, all have in common  
The talent of influence:  
Friendliness attracts to God

The thing unseen manifest itself  
In the things that are seen
